**Public Services Maintenance Action Item Report**

For the Dan Diaz Recreation Center and Irwindale Park Restrooms

**Supervisor Rodriguez** presented the staff report.

**Chair Fraijo** thanked staff for expeditiously addressing the items of concern that were noted at last month’s meeting.

**Dena Zepeda** thanked staff for their quick work, and wondered why the concerns were brought to the Commission. She suggested instead taking concerns to the Council or to management staff right away.

**Director Rodriguez** advised that concerned individuals may contact the phone number to the Public Services Department with any items that are broken and/or in need of replacement. She noted that staff is proactive and conducts routine inspections, though some items may fall through the cracks. However, as soon as concerns are reported, staff works hard to repair them as soon as possible.

**Chair Fraijo** stated her belief that Dena Zepeda’s concern is that the buildings are monitored properly.

**Commissioner Lopez** suggested posting the phone number referenced by Director Rodriguez in the restrooms.

**Commission Consensus** was reached to receive and file the report.

**Aquatics Mid-Year Review Requests for City Council**

**Supervisor Grijalva** presented the staff report.
COMMISSIONER LOPEZ

Commissioner Lopez asked about obtaining an extended warranty on the new pool heater, to which Supervisor Grijalva indicated that he would look into the request and report back to the Commission.

DIRECTOR RODRIGUEZ

Director Rodriguez noted that heaters generally come with one-year warranties, and noted that the existing heater is eight years old and is not functioning properly. She noted that the new heater will include a warranty.

CHAIR FRAIJO

Chair Fraijo asked about the cost of the heater, to which Director Rodriguez advised that due to the heater’s high cost, staff will likely need to accept formal bids for the purchase and installation of the heater.

SUZANNE GOMEZ

Responding to a question by Suzanne Gomez, Director Rodriguez advised that staff hopes to purchase and install the heater by spring, and spoke on the steps necessary to secure funding.

DENA ZEPEDA

Dena Zepeda spoke in support of the purchase of the new heater with an extended warranty.

COMMISSIONER ROMAN

Commissioner Roman thanked Supervisor Grijalva and concurred that staff should look in purchasing an extended warranty. She also requested to be informed when underwater maintenance is performed so she can watch.

NEW BUSINESS

ITEM NO. 2A DAN DIAZ RECREATION CENTER EARLY HOURS

Director Rodriguez presented the report.

CHAIR FRAIJO

Responding to several questions by Chair Fraijo, Director Rodriguez advised that three staff members are required in order to adequately provide coverage during early morning hours, including a Supervisor, a staffer at the lobby, and another staffer at the Fitness Center.

Chair Fraijo suggested offering early hours at the Recreation Center for at least two days per week, and stated her hope that interest in this offer would build up over time.

COMMISSIONER LOPEZ

In response to a question by Commissioner Lopez, Director Rodriguez indicated that County firefighters have not returned to the Recreation Center to use the gym since COVID began.
Commissioner Ortiz expressed her preference of Option 1, as shown in the staff report, and spoke on her own experience in utilizing the Recreation Center during early hours.

Commissioner Roman also preferred Option 1 and stated her belief that a Supervisor may not be needed for the early hours.

Chair Fraijo suggested recruiting volunteers to help reduce staffing costs, and stated her preference of offering early hours three days per week.

Dena Zepeda spoke in favor of Option 1, though she also requested that early hours be offered during a third day of the week.

Commissioner Lopez also requested to have somebody available with knowledge of proper weight-lifting techniques and how to use the equipment properly; preferably a certified trainer.

Director Rodriguez stated that staff could look into the request with input by the City’s Risk Manager. She added that staff is offering early hours two days per week, though that may increase depending on the availability of staff.

Chair Fraijo concurred that staff should be able to teach patrons how to properly use the exercise machines.

Dena Zepeda spoke on her interaction with staff with the exercise machines and suggested that staff be trained on how to properly use the machines.

A motion was made by Chair Fraijo, seconded by Commissioner Lopez, to recommend approving Option 1 as shown in the staff report, with early hours being offered Monday and Wednesday from 6:00 a.m. to 9:00 a.m. The motion was unanimously approved.

Responding to a question by Commissioner Ortiz, Director Rodriguez advised that staff will check to see if the early hours can be reinitiated by Monday.

Chair Fraijo requested that the city website be updated to include information on the Recreation Center’s early hours.

VERBAL REPORT

DIRECTOR RODRIGUEZ

Director Rodriguez provided the update. She advised that the related policy has been reviewed by the CJPIA, Covina Valley Unified School District, and the City Attorney, and that staff anticipates providing a draft of the policy to the commission at its February meeting. She noted that the City Attorney has suggested against the cameras recording audio. She also advised that the Request for Proposals (“RFP”) for the citywide surveillance system has been drafted by the IT Manager, and is being reviewed by the City Attorney. Staff hopes to release the RFP by the beginning of February, with the award of contract to be made in March.

IRWINDALE PUBLIC LIBRARY AND DAN DIAZ RECREATION CENTER CAPITAL IMPROVEMENT PROJECT
## Improvement Project

Armando Hegdahl, CMC
Management Analyst
Date: February 2, 2022
To: Honorable Chair and Commission Members
From: Elizabeth Rodriguez, Public Services Director
Issue: Irwindale Public Library and Dan Diaz Recreation Center Capital Improvement Project

Recommendation:

Discuss and provide direction regarding the Dan Diaz Recreation Center portion of the Irwindale Public Library and Dan Diaz Recreation Center Capital Improvement Project.

Administrative Action:

Submitted by:
Theresa Olivares, Assistant City Manager
(626) 430-2294

Approved by:
Elizabeth Rodriguez, Public Services Director
(626) 430-2211

Background and Analysis:

At the January 5, 2022 Parks & Recreation Commission Meeting, Staff provided an update to the commission on city council direction for the Irwindale Public Library and Dan Diaz Recreation Center Capital Improvement Project. Staff requested information from the commission on what improvements they and the community would like to see at the Dan Diaz Recreation Center. A discussion was held and the following outlines the commission’s requests:

- Sufficient parking available for patrons visiting the Dan Diaz Recreation Center;
- A larger area for Kidzone and Tiny/Teeny Tots and a bathroom with kid sized toilets that connects to both rooms;
- Bigger Rooms for Classes such as Zumba and Yoga;
- Showers for Patrons; and
- Bathrooms that connect to the Movies in the Park area.
As part of the discussion, the commission also requested that a community meeting be held to discuss the needs of the Dan Diaz Recreation Center. Chair Fraijo requested that this item be brought back to the commission at its February 2\textsuperscript{nd} meeting to give the commission more time to speak with the community and gather more information on the Recreation needs. Additionally, Chair Fraijo requested a site plan for both the Recreation and Library be included in the report and for the architect to identify which walls can and cannot be removed. Staff has attached a copy of the current site plan for both the Recreation and Library. The architect is inspecting and developing the structural plans to determine which walls must remain in place and which walls may be removed, this information will be shared with the commission when it becomes available. At this time, Staff is aware that the wall between the Recreation multipurpose room and game room can be removed; however, the wall between the multipurpose room and Recreation staff offices is an exterior wall that cannot be removed. Most walls can be removed but the cost to remove them will vary depending on the structural load.

Staff is working on scheduling a community meeting to gather input on the community needs for the Recreation. Information regarding the meeting will be shared with the Commission and community once it becomes available.

ATTACHMENT: Dan Diaz Recreation Center and Library Site Plan
Date: February 2, 2022
To: Honorable Chair and Commission Members
From: Elizabeth Rodriguez, Public Services Director
Issue: 4th of July Community Events

Recommendation:

Parks and Recreation Commission review and make a recommendation for City Council approval regarding 4th of July community events.

Administrative Action:

Submitted by:
Priscilla Zepeda, Recreation Manager
(626) 430-2226

Approved by:
Elizabeth Rodriguez, Public Services Director
(626)430-2211

Background and Analysis:

July 4th is the day our country celebrates its independence. As such, cities across the country host fireworks shows and other events in commemoration. The 4th of July Spectacular has been the City of Irwindale’s annual celebration for more than two decades. This celebration includes food vendors, live performances and a fireworks show. In July of 2021, as the pandemic continued to effect the ability to offer larger community events, the City opted to provide the fireworks show only. As staff evaluates what our community events look like post pandemic, we are seeking a formal recommendation on how the Commission would like to proceed with the 4th of July celebrations moving forward.

Over the past decade, there has been a dramatic decline in the number of vendors who participate in the 4th of July Spectacular. The City allows for local (within the City of Irwindale) non-profit organizations to fundraise as food vendors. Several of the local non-profit groups opt to host a Safe and Sane fireworks booth as opposed to a vendor booth
during the city sponsored event. Over the past seven years, between two to three vendors register for the event, which is a significant decline from when the plaza was filled with food booths. Additionally, it should be noted that although Irwindale Park is full of families, they are BBQ’ing or hosting potlucks and not purchasing from our vendors. Over the years, staff has also noticed a decline in resident attendees to the event. In consideration of the current trends, staff is looking for recommendations on how to proceed with this year’s and future 4th of July activities provided by Irwindale Recreation. The following are a list of options that provides recommendations to be discussed by the commission:

Option 1:
Option one is continuing with current practice despite current trends, which includes the 4th of July Spectacular at Irwindale Park: food booths and entertainment from 3p – 9p, concluded by the fireworks show at 9pm.

Option 2:
Option two is taking recommendations from the Commission on festivities listed or making recommendations that have not been mentioned.

Option 3:
Provide three separate community events in place of the single day event:
   a. One (1) additional concert for Music in the Park the week of 4th of July
   b. Community Independence Day Picnic the Saturday prior to 4th of July
   c. Fireworks Spectacular (show only) on 4th of July.
Option three would allow for three separate community events. The first would be the addition of a Music in the Park concert the week of 4th of July that is not currently offered due to the daylong event held on the 4th. The second would be bringing the Irwindale community out for an Independence Day celebration in the park the Saturday before the 4th. This may include games, jumpers, food, contests, music, and possible partnership with other community services like Aquatics, Library and Senior Center, and more. This option would allow us to celebrate with residents and visitors before 4th of July, which allows them to celebrate at their homes with their families as they prepare for the fireworks show held on the 4th of July, which is the 3rd event in this option.

It would be appropriate for the Commission to make a recommendation in regards to 4th of July activities for the City of Irwindale as Staff will be required to present the recommendation to the City Council for approval.

Issue: Citywide Surveillance Camera Site Plans

Recommendation:
Receive and file the citywide surveillance camera site plans for Recreation, Aquatics Center, parks and playgrounds.

Administrative Action:
Submitted by:
Jeff Wagner, Information Technology Manager
(626) 430-2258

Approved by:
Elizabeth Rodriguez, Public Services Director
(626) 430-2211

Background and Analysis:
At the July 7, 2021 Parks & Recreation Meeting, Information Technology Manager Jeff Wagner presented the City Council approved City of Irwindale Centralized Video Surveillance, which included the location and number of video surveillance cameras recommended for installation at the Recreation, Aquatics Center, parks and playgrounds.

At the January 5, 2022 Parks & Recreation Meeting, Staff provided a verbal update on the status of the project. Parks & Recreation Commissioner Lopez requested that the site plans be provided to the Parks & Recreation Commission as a reminder as to the locations of where the cameras will be placed and the number of cameras recommended to be installed. Attached are the site plans that will be included as part of the Request for Proposals anticipated to be released once approved by legal counsel through the Information Management Division.

Issue: Replanting at the Jardin De Roca Park

Recommendation:

Receive and file the replanting list at the Jardin De Roca Park.

Background and Analysis:

Per the shrub planting plans dated August 14, 2003, signed by Landscape Architect Steven Ormenyi, the following plants, shrubs and ground cover were planted as part of the newly created Jardin De Roca Park more than 16 years ago:

<table>
<thead>
<tr>

The above planting list was presented to the Parks & Recreation Commission at the January 5, 2022 meeting. During the commission's discussion, Commissioner Lopez requested Birds of Paradise be planted at Jardin de Roca Park to be in line with the plants along Irwindale Avenue. Staff agreed to look into these plants and return back to the commission at its February 2nd meeting with an update.

Staff inspected the area along Irwindale Avenue and found that the Strelitzia Reginae, the common name for Birds of Paradise, were planted along the Irwindale Business Center property, which is on Irwindale Avenue. The Public Services Director and Public Works Maintenance Supervisor conducted a site visit and determined that the Birds of Paradise can be planted along the frontage/entrance of the Jardin de Roca Park. This would place the plants in similar locations as the Irwindale Business Center's Birds of Paradise. Additionally, Staff has identified a few areas along the southern fence where Birds of Paradise can be planted.
