Responding to a question by Chair Fraijo, Assistant City Manager Olivares advised that the project architect has already been advised of the commission’s concerns that were made at the January 5 meeting. Additionally, the commission’s concerns will also be discussed at the community meeting so the public can know about them.

ITEM NO. 2B
4TH OF JULY
COMMUNITY EVENTS

MANAGER ZEPEDA  Manager Zepeda presented the report.

CHAIR FRAIJO  Chair Fraijo stated that the recommended changes could be implemented and that, if they are not fruitful, the changes can be reverted.

SUZANNE GOMEZ  Suzanne Gomez noted the changes to recreation programs that were caused by the pandemic, and noted that more changes may be necessary, although it is not always pleasant to change traditions. She suggested that the recommended changes be considered and concurred that they could be reverted if they do not work as well as planned.

LINDA MAREZ  Linda Marez noted that fewer community members have attended the recreation events over the years for various reasons, and suggested implementing new ideas to try to spur enthusiasm for new events and activities.

DENA ZEPEDA  Dena Zepeda stated her belief that fewer residents attended events because they were not informed that the events would be held. She also suggested re-implementing older events, such as basketball games between members of the Police Department and the community. She suggested that everything possible be done to hold events the way they used to be, such as the 4th of July fireworks show and booth sales.

COMMISSIONER
LOPEZ  Commissioner Lopez agreed that community input should be sought, and agreed that changing traditions is not always easy.

COMMISSIONER
ROMAN  Commissioner Roman spoke on how the pandemic forced families to remain at home on the 4th of July, which sparked the use of illegal fireworks. She stated that smaller events targeting residents should be held to bring the community together.

MOTION  A motion was made by Chair Fraijo, seconded by Commissioner Roman, to adopt Option 3 as delineated in the staff report, namely: provide three separate community events in place of the single day event: A) one additional concert for Music in the Park the week of 4th of July, B) Community Independence Day Picnic the Saturday prior to
4th of July, and C) Fireworks Spectacular (show only) on 4th of July. The motion was approved with Commissioner Roman, Vice Chair Zepeda, and Chair Fraijo in favor, Commissioner Lopez opposed, and Commissioner Ortiz absent.

She added that staff is also working on an acknowledgment form to provide to parents to inform them of the use of cameras on the busses.
