A Resolution to Re-Ratify the Existence of a Local Emergency and Authorize

Issue: Remote Meetings of the Legislative Bodies of the City of Irwindale for the 30-Day Period Beginning June 8, 2022 through July 8, 2022

Administrative Action:

Submitted / Prepared by:
Laura Nieto, Chief Deputy City Clerk

Approved by:
Julian A. Miranda, City Manager / Executive Director
Background and Analysis:

Since September 29, 2021, the City Council, jointly with the Successor Agency and Housing Authority have adopted resolutions declaring an exemption under AB361, allowing the legislative bodies to meet via teleconference and forego the Brown Act's traditional agenda posting, physical access and quorum requirements for teleconferencing. The City Council, Successor Agency and Housing Authority (collectively, “City”) have reviewed and adopted joint resolutions every month, ratifying the existence of a local emergency and authorizing remote hybrid meetings for all legislative bodies.

The State of California has implemented a phased rollback of the executive orders that were implemented due to COVID-19, and 15 of the remaining orders will expire on June 30, 2022. However, the State’s declared emergency will continue after June 30, 2022. Additionally, current guidance provided by the Los Angeles County Department of Public Health for reducing the risk of COVID-19 recommends social distancing from people outside your household when their vaccination status is unknown. As a result, the findings exist for the City to continue to conduct the public meetings under the AB 361 exemption, should this be the City’s desire.

The attached joint resolution for the City Council, Successor Agency, and Housing Authority, make the findings necessary for the legislative bodies to continue to declare an exemption under AB 361 as (1) the state of emergency declared by the Governor remains active and (2) the Los Angeles County Department of Public Health’s guidance recommends to social distance (about 6 feet away) from people outside your household or when vaccination status is unknown.

As a result, joint Resolution modifies public meetings as follows:

a. AB 361, attached to the Resolution as Exhibit A, regarding teleconference requirements allowing City legislative bodies to hold public meetings by teleconferencing or electronically, and in-person, without noticing the teleconferenced locations on the agenda, without making teleconferenced locations accessible to the public, without making physical locations accessible to the public, without posting agendas at teleconferenced locations, without requiring members of the legislative bodies to be physically present at the meeting, and without requiring a quorum of the members of the legislative body to participate from locations with the City’s jurisdiction, as long as the agenda that is posted at least 72 hours in advance indicates that members of the legislative body may be participating electronically, provides the teleconference or webinar access information by which the public may participate electronically, and lists the procedure for individuals with disabilities to request reasonable accommodations;

b. All public meeting agendas shall be posted at least 72 hours prior to a regular meeting and at least 24 hours prior to a special meeting;
c. Members of the public will have the ability to access the meeting and directly address the legislative body via a call-in option, an internet-based service provider, or in-person. Members of the public who wish to access the meeting in-person shall comply with all health and safety protocols imposed for in-person attendance to promote social distancing;

d. In the event of a service disruption that prevents broadcasting of the meeting, the meeting will stop and no further action on the agenda items will occur until (1) an attempt to restore service for a 10-minute period, and (2) adjourning the meeting to a new date and time when an unresolved issue exceeds the 10-minute time period.

Fiscal Impact:
Conducting remote hybrid public meetings will require city staff to assist with the meeting and public participation, remotely or in-person. The fiscal impact will be based on the amount of staff required and the duration of the meeting. The fiscal impact for all Council and Commission meetings for the 30-day period beginning June 8, 2022 through July 8, 2022 is estimated to be approximately $900.

hold public meetings solely by teleconference, or otherwise electronically, without listing the teleconference locations and without any physical location, as long as the agenda that is posted 72 hours in advance indicates that the members of the legislative body will be participating by teleconference, provides the teleconference or webinar access information by which the public may participate electronically, and lists the procedure for individuals with disabilities to request reasonable accommodations; and

WHEREAS, AB 361 allows local agencies to continue to meet via teleconference without complying with the Brown Act's traditional agenda posting, physical access and quorum requirements for teleconferencing, but only during a state of emergency proclaimed by the Governor in which (1) state or local health officials have imposed or recommend measures to promote social distancing, or (2) the legislative body has determined by majority vote that meeting in person would present imminent risk to the health and safety to the attendees; and

WHEREAS, due to the COVID-19 pandemic the County of Los Angeles Department of Public Health recommends social distancing amongst people not of the same household where vaccination status is unknown, resulting in the City Council’s desire to adopt a resolution incorporating AB 361 and allowing for teleconference meetings; and

WHEREAS, at a special meeting held on September 29, 2021, the City Council adopted Resolution No. 2021-86-3298 declaring an exemption under the provisions of AB 361, allowing the legislative body to meet via teleconference and forego the Brown Act’s traditional agenda posting, physical access and quorum requirements for teleconferencing for the month of October 2021; and

Resolution No. SA 2022-58-3308
Resolution No. HA 2022-13-123
Resolution No. RA 2022-06-033

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF IRWINDALE, SUCCESSOR AGENCY TO THE FORMER IRWINDALE COMMUNITY REDEVELOPMENT AGENCY, AND HOUSING AUTHORITY BOARD OF THE CITY OF IRWINDALE, CALIFORNIA DO HEREBY RESOLVE, DETERMINE, AND ORDER AS FOLLOWS:

SECTION 1. The City Council, Successor Agency Board, and Housing Authority Board determine that each of the findings set forth above is true and correct and incorporated herein by this reference.

SECTION 2. The City Council, Successor Agency Board, and Housing Authority Board hereby consider the conditions of the state of emergency as proclaimed by the Governor, the existence of emergency conditions in the City of Irwindale, and reaffirm, reauthorize, and continue the existence of a local emergency throughout the City.

SECTION 3. The City Council, Successor Agency Board, Housing Authority and Reclamation Authority Boards hereby find that the state of emergency declared by Governor Newsom on or about March 4, 2020 remains active and local health agencies continue to recommend measures to promote social distancing, and that the risk of infection due to COVID-19 can cause an imminent risk to attendees to in-person meetings, despite vaccination status, but especially for unvaccinated attendees, and/or those who are immunocompromised, thereby prompting the City Council, Successor
Agency Board, and Housing Authority Board to reaffirm, reauthorize, and maintain the existence of a local emergency, as required by Government Code section 54953(e) et seq.

SECTION 4. Due to the COVID-19 pandemic, the County of Los Angeles Department of Public Health recommends social distancing amongst people not of the same household where vaccination status is unknown. Based on such facts, findings, and determinations, the City Council Successor Agency Board, and Housing Authority Board authorize staff to conduct remote hybrid meetings for all public meetings regular and special, including City Council, Successor Agency to the Irwindale Community Redevelopment Agency, Irwindale Housing Authority Board of Commissioners, Irwindale Reclamation Authority Board of Commissioners, all City Commission and committee meetings, and any other meetings that would normally take place in the City Council Chambers under the provisions of Government Code Section 54953(e). As a result, the public meetings are modified as follows:

a. AB 361, attached hereto as Exhibit A, regarding teleconference requirements allowing City legislative bodies to hold public meetings by teleconferencing or electronically, and in-person, without noticing the teleconferenced locations on the agenda, without making teleconferenced locations accessible to the public, without making physical locations accessible to the public, without posting agendas at teleconferenced locations, without requiring members of the legislative bodies to be physically present at the meeting, and without requiring a quorum of the members of the legislative body to participate from locations with the City’s jurisdiction, as long as the agenda that is posted at least 72 hours in advance indicates that members of the legislative body may be participating electronically, provides the teleconference or webinar access information by which the public may participate electronically, and lists the procedure for individuals with disabilities to request reasonable accommodations;

b. All public meeting agendas shall be posted at least 72 hours prior to a regular meeting and at least 24 hours prior to a special meeting;

c. Members of the public will have the ability to access the meeting and directly address the legislative body via a call-in option, an internet-based service provider, or in-person. Members of the public who wish to access the meeting in-person shall comply with all health and safety protocols imposed for in-person attendance to promote social distancing;

d. In the event of a service disruption that prevents broadcasting of the meeting, the meeting will stop and no further action on the agenda items will occur until (1) an attempt to restore service for a 10-minute period, and (2) adjourning the meeting.
to a new date and time when an unresolved issue exceeds the 10-minute time period.

SECTION 5. The City Manager/Executive Director or his designee is authorized and directed to take all actions reasonably necessary to carry out the intent and purpose of this Resolution, including, continuing to conduct open and public meetings in-person and remotely in accordance with Government Code section 54953(e) et seq., and other applicable provisions of the Brown Act, for all public meetings.

SECTION 6. Pursuant to Government Code section 54953(e)(4), the local legislative body will verify every 30 days that the exemption from traditional teleconference requirements under the Brown Act is still necessary. The legislative body must make findings no later than 30 days after the first teleconference and every 30 days thereafter that:

a. The legislative body has reconsidered the state of emergency circumstances; and

b. Either (1) the state of emergency continues to directly impact the ability to meet safely in person, or (2) state or local officials continue to impose or recommend measures to promote social distancing.

SECTION 7. The Chief Deputy City Clerk/Secretary to the Successor Agency/Authority Assistant Secretary shall certify the adoption of this resolution which shall take effect on June 8, 2022 and shall be effective until the earlier of (i) July 8, 2022, or (ii) such time the City Council adopts a subsequent resolution in accordance with Government Code section 54593(e)(3) to extend the time during which the City’s legislative bodies may continue to teleconference without compliance with Government Code section 54953(b)(3).

PASSED, APPROVED AND ADOPTED this 8th day of June 2022.

LEGISLATIVE COUNSEL'S DIGEST

AB 361, Robert Rivas. Open meetings: state and local agencies: teleconferences.

(1) Existing law, the Ralph M. Brown Act requires, with specified exceptions, that all meetings of a legislative body of a local agency, as those terms are defined, be open and public and that all persons be permitted to attend and participate. The act contains specified provisions regarding the timelines for posting an agenda and providing for the ability of the public to directly address the legislative body on any item of interest to the public. The act generally requires all regular and special meetings of the legislative body be held within the boundaries of the territory over which the local agency exercises jurisdiction, subject to certain exceptions. The act allows for meetings to occur via teleconferencing subject to certain requirements, particularly that the legislative body notice each teleconference location of each member that will be participating in the public meeting, that each teleconference location be accessible to the public, that members of the public be allowed to address the legislative body at each teleconference location, that the legislative body post an agenda at each teleconference location, and that at least a quorum of the legislative body participate from locations within the boundaries of the local agency’s jurisdiction. The act provides an exemption to the jurisdictional requirement for health authorities, as defined. The act authorizes the district attorney or any interested person, subject to certain provisions, to commence an action by mandamus or injunction for the purpose of obtaining a judicial determination that specified actions taken by a legislative body are null and void.

Existing law, the California Emergency Services Act, authorizes the Governor, or the Director of Emergency Services when the governor is inaccessible, to proclaim a state of emergency under specified circumstances.

Executive Order No. N-29-20 suspends the Ralph M. Brown Act’s requirements for teleconferencing during the COVID-19 pandemic provided that notice and accessibility requirements are met, the public members are allowed to observe and address the legislative body at the meeting, and that a legislative body of a local agency has a procedure for receiving and swiftly
resolving requests for reasonable accommodation for individuals with disabilities, as specified.

This bill, until January 1, 2024, would authorize a local agency to use teleconferencing without complying with the teleconferencing requirements imposed by the Ralph M. Brown Act when a legislative body of a local agency holds a meeting during a declared state of emergency, as that term is defined, when state or local health officials have imposed or recommended measures to promote social distancing, during a proclaimed state of emergency held for the purpose of determining, by majority vote, whether meeting in person would present imminent risks to the health or safety of attendees, and during a proclaimed state of emergency when the legislative body has determined that meeting in person would present imminent risks to the health or safety of attendees, as provided.

This bill would require legislative bodies that hold teleconferenced meetings under these abbreviated teleconferencing procedures to give notice of the meeting and post agendas, as described, to allow members of the public to access the meeting and address the legislative body, to give notice of the means by which members of the public may access the meeting and offer public comment, including an opportunity for all persons to attend via a call-in option or an internet-based service option, and to conduct the meeting in a manner that protects the statutory and constitutional rights of the parties and the public appearing before the legislative body. The bill would require the legislative body to take no further action on agenda items when there is a disruption which prevents the public agency from broadcasting the meeting, or in the event of a disruption within the local agency's control which prevents members of the public from offering public comments, until public access is restored. The bill would specify that actions taken during the disruption are subject to challenge proceedings, as specified.

This bill would prohibit the legislative body from requiring public comments to be submitted in advance of the meeting and would specify that the legislative body must provide an opportunity for the public to address the legislative body and offer comment in real time. The bill would prohibit the legislative body from closing the public comment period and the opportunity to register to provide public comment, until the public comment period has elapsed or until a reasonable amount of time has elapsed, as specified. When there is a continuing state of emergency, or when state or local officials have imposed or recommended measures to promote social distancing, the bill would require a legislative body to make specified findings not later than 30 days after the first teleconferenced meeting pursuant to these provisions, and to make those findings every 30 days thereafter, in order to continue to meet under these abbreviated teleconferencing procedures.

Existing law prohibits a legislative body from requiring, as a condition to attend a meeting, a person to register the person's name, or to provide other information, or to fulfill any condition precedent to the person's attendance.
This bill would exclude from that prohibition, a registration requirement imposed by a third-party internet website or other online platform not under the control of the legislative body.

(2) Existing law, the Bagley-Keene Open Meeting Act, requires, with specified exceptions, that all meetings of a state body be open and public and all persons be permitted to attend any meeting of a state body. The act requires at least one member of the state body to be physically present at the location specified in the notice of the meeting.

The Governor's Executive Order No. N-29-20 suspends the requirements of the Bagley-Keene Open Meeting Act for teleconferencing during the COVID-19 pandemic, provided that notice and accessibility requirements are met, the public members are allowed to observe and address the state body at the meeting, and that a state body has a procedure for receiving and swiftly resolving requests for reasonable accommodation for individuals with disabilities, as specified.

This bill, until January 31, 2022, would authorize, subject to specified notice and accessibility requirements, a state body to hold public meetings through teleconferencing and to make public meetings accessible telephonically, or otherwise electronically, to all members of the public seeking to observe and to address the state body. With respect to a state body holding a public meeting pursuant to these provisions, the bill would suspend certain requirements of existing law, including the requirements that each teleconference location be accessible to the public and that members of the public be able to address the state body at each teleconference location. Under the bill, a state body that holds a meeting through teleconferencing and allows members of the public to observe and address the meeting telephonically or otherwise electronically would satisfy any requirement that the state body allow members of the public to attend the meeting and offer public comment. The bill would require that each state body that holds a meeting through teleconferencing provide notice of the meeting, and post the agenda, as provided. The bill would urge state bodies utilizing these teleconferencing procedures in the bill to use sound discretion and to make reasonable efforts to adhere as closely as reasonably possible to existing law, as provided.

(3) Existing law establishes the various campuses of the California State University under the administration of the Trustees of the California State University, and authorizes the establishment of student body organizations in connection with the operations of California State University campuses.

The Gloria Romero Open Meetings Act of 2000 generally requires a legislative body, as defined, of a student body organization to conduct its business in a meeting that is open and public. The act authorizes the legislative body to use teleconferencing, as defined, for the benefit of the public and the legislative body in connection with any meeting or proceeding authorized by law.

This bill, until January 31, 2022, would authorize, subject to specified notice and accessibility requirements, a legislative body, as defined for purposes of the act, to hold public meetings through teleconferencing and
to make public meetings accessible telephonically, or otherwise electronically, to all members of the public seeking to observe and to address the legislative body. With respect to a legislative body holding a public meeting pursuant to these provisions, the bill would suspend certain requirements of existing law, including the requirements that each teleconference location be accessible to the public and that members of the public be able to address the legislative body at each teleconference location. Under the bill, a legislative body that holds a meeting through teleconferencing and allows members of the public to observe and address the meeting telephonically or otherwise electronically would satisfy any requirement that the legislative body allow members of the public to attend the meeting and offer public comment. The bill would require that each legislative body that holds a meeting through teleconferencing provide notice of the meeting, and post the agenda, as provided. The bill would urge legislative bodies utilizing these teleconferencing procedures in the bill to use sound discretion and to make reasonable efforts to adhere as closely as reasonably possible to existing law, as provided.

(4) This bill would declare the Legislature’s intent, consistent with the Governor’s Executive Order No. N-29-20, to improve and enhance public access to state and local agency meetings during the COVID-19 pandemic and future emergencies by allowing broader access through teleconferencing options.

(5) This bill would incorporate additional changes to Section 54953 of the Government Code proposed by AB 339 to be operative only if this bill and AB 339 are enacted and this bill is enacted last.

(6) The California Constitution requires local agencies, for the purpose of ensuring public access to the meetings of public bodies and the writings of public officials and agencies, to comply with a statutory enactment that amends or enacts laws relating to public records or open meetings and contains findings demonstrating that the enactment furthers the constitutional requirements relating to this purpose. This bill would make legislative findings to that effect.

(7) Existing constitutional provisions require that a statute that limits the right of access to the meetings of public bodies or the writings of public officials and agencies be adopted with findings demonstrating the interest protected by the limitation and the need for protecting that interest. This bill would make legislative findings to that effect.

(8) This bill would declare that it is to take effect immediately as an urgency statute.

The people of the State of California do enact as follows:

SECTION 1. Section 89305.6 is added to the Education Code, to read:

89305.6. (a) Notwithstanding any other provision of this article, and subject to the notice and accessibility requirements in subdivisions (d) and (e), a legislative body may hold public meetings through teleconferencing

As to any instance in which there is a change in the means of public observation and comment, or any instance prior to the effective date of this section in which the time of the meeting has been noticed or the agenda for the meeting has been posted without also including notice of the means of public observation and comment, a legislative body may satisfy this requirement by advertising the means of public observation and comment using the most rapid means of communication available at the time. Advertising the means of public observation and comment using the most rapid means of communication available at the time shall include, but need not be limited to, posting such means on the legislative body’s internet website.

A state body need not make available any physical location from which members of the public may observe the meeting and offer public comment.

(d) If a state body holds a meeting through teleconferencing pursuant to this section and allows members of the public to observe and address the meeting telephonically or otherwise electronically, the state body shall also do both of the following:

(1) Implement a procedure for receiving and swiftly resolving requests for reasonable modification or accommodation from individuals with disabilities, consistent with the federal Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12101 et seq.), and resolving any doubt whatsoever in favor of accessibility.

(f) All state bodies utilizing the teleconferencing procedures in this section are urged to use sound discretion and to make reasonable efforts to adhere as closely as reasonably possible to the otherwise applicable provisions of this article, in order to maximize transparency and provide the public access to state body meetings.

(g) This section shall remain in effect only until January 31, 2022, and as of that date is repealed.

SEC. 3. Section 54953 of the Government Code is amended to read:
54953. (a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency, except as otherwise provided in this chapter.

(b) (1) Notwithstanding any other provision of law, the legislative body of a local agency may use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding authorized by law. The teleconferenced meeting or proceeding shall comply with all otherwise applicable requirements of this chapter and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding.

(2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. All votes taken during a teleconferenced meeting shall be by rollcall.

(3) If the legislative body of a local agency elects to use teleconferencing, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. During the teleconference, at least a quorum of the members of the legislative body shall participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction, except as provided in subdivisions (d) and (e). The agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3 at each teleconference location.

(4) For the purposes of this section, “teleconference” means a meeting of a legislative body, the members of which are in different locations, connected by electronic means, through either audio or video, or both. Nothing in this section shall prohibit a local agency from providing the public with additional teleconference locations.

(c) (1) No legislative body shall take action by secret ballot, whether preliminary or final.

(2) The legislative body of a local agency shall publicly report any action taken and the vote or abstention on that action of each member present for the action.

(3) Prior to taking final action, the legislative body shall orally report a summary of a recommendation for a final action on the salaries, salary schedules, or compensation paid in the form of fringe benefits of a local agency executive, as defined in subdivision (d) of Section 3511.1, during the open meeting in which the final action is to be taken. This paragraph shall not affect the public’s right under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1) to inspect or copy records created or received in the process of developing the recommendation.
(d) (1) Notwithstanding the provisions relating to a quorum in paragraph (3) of subdivision (b), if a health authority conducts a teleconference meeting, members who are outside the jurisdiction of the authority may be counted toward the establishment of a quorum when participating in the teleconference if at least 50 percent of the number of members that would establish a quorum are present within the boundaries of the territory over which the authority exercises jurisdiction, and the health authority provides a teleconference number, and associated access codes, if any, that allows any person to call in to participate in the meeting and the number and access codes are identified in the notice and agenda of the meeting.

(2) Nothing in this subdivision shall be construed as discouraging health authority members from regularly meeting at a common physical site within the jurisdiction of the authority or from using teleconference locations within or near the jurisdiction of the authority. A teleconference meeting for which a quorum is established pursuant to this subdivision shall be subject to all other requirements of this section.

(3) For purposes of this subdivision, a health authority means any entity created pursuant to Sections 14018.7, 14087.31, 14087.35, 14087.36, 14087.38, and 14087.9065 of the Welfare and Institutions Code, any joint powers authority created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 for the purpose of contracting pursuant to Section 14087.3 of the Welfare and Institutions Code, and any advisory committee to a county-sponsored health plan licensed pursuant to Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code if the advisory committee has 12 or more members.

(e) (1) A local agency may use teleconferencing without complying with the requirements of paragraph (3) of subdivision (b) if the legislative body complies with the requirements of paragraph (2) of this subdivision in any of the following circumstances:

(A) The legislative body holds a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing.

(B) The legislative body holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

(C) The legislative body holds a meeting during a proclaimed state of emergency and has determined, by majority vote, pursuant to subparagraph (B), that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

(2) A legislative body that holds a meeting pursuant to this subdivision shall do all of the following:

(A) The legislative body shall give notice of the meeting and post agendas as otherwise required by this chapter.

(B) The legislative body shall allow members of the public to access the meeting and the agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3.
In each instance in which notice of the time of the teleconferenced meeting is otherwise given or the agenda for the meeting is otherwise posted, the legislative body shall also give notice of the means by which members of the public may access the meeting and offer public comment. The agenda shall identify and include an opportunity for all persons to attend via a call-in option or an internet-based service option. This subparagraph shall not be construed to require the legislative body to provide a physical location from which the public may attend or comment.

(C) The legislative body shall conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties and the public appearing before the legislative body of a local agency.

(D) In the event of a disruption which prevents the public agency from broadcasting the meeting to members of the public using the call-in option or internet-based service option, or in the event of a disruption within the local agency's control which prevents members of the public from offering public comments using the call-in option or internet-based service option, the body shall take no further action on items appearing on the meeting agenda until public access to the meeting via the call-in option or internet-based service option is restored. Actions taken on agenda items during a disruption which prevents the public agency from broadcasting the meeting may be challenged pursuant to Section 54960.1.

(E) The legislative body shall not require public comments to be submitted in advance of the meeting and must provide an opportunity for the public to address the legislative body and offer comment in real time. This subparagraph shall not be construed to require the legislative body to provide a physical location from which the public may attend or comment.

(F) Notwithstanding Section 54953.3, an individual desiring to provide public comment through the use of an internet website, or other online platform, not under the control of the local legislative body, that requires registration to log in to a teleconference may be required to register as required by the third-party internet website or online platform to participate.

(G) (i) A legislative body that provides a timed public comment period for each agenda item shall not close the public comment period for the agenda item, or the opportunity to register, pursuant to subparagraph (F), to provide public comment until that timed public comment period has elapsed.

(ii) A legislative body that does not provide a timed public comment period, but takes public comment separately on each agenda item, shall allow a reasonable amount of time per agenda item to allow public members the opportunity to provide public comment, including time for members of the public to register pursuant to subparagraph (F), or otherwise be recognized for the purpose of providing public comment.

(iii) A legislative body that provides a timed general public comment period that does not correspond to a specific agenda item shall not close the public comment period or the opportunity to register, pursuant to subparagraph (F), until the timed general public comment period has elapsed.
If a state of emergency remains active, or state or local officials have imposed or recommended measures to promote social distancing, in order to continue to teleconference without compliance with paragraph (3) of subdivision (b), the legislative body shall, not later than 30 days after teleconferencing for the first time pursuant to subparagraph (A), (B), or (C) of paragraph (1), and every 30 days thereafter, make the following findings by majority vote:

(A) The legislative body has reconsidered the circumstances of the state of emergency.

(B) Any of the following circumstances exist:
   (i) The state of emergency continues to directly impact the ability of the members to meet safely in person.
   (ii) State or local officials continue to impose or recommend measures to promote social distancing.

(4) For the purposes of this subdivision, “state of emergency” means a state of emergency proclaimed pursuant to Section 8625 of the California Emergency Services Act (Article 1 (commencing with Section 8550) of Chapter 7 of Division 1 of Title 2).

(f) This section shall remain in effect only until January 1, 2024, and as of that date is repealed.

SEC. 3.1. Section 54953 of the Government Code is amended to read:

54953. (a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency in person, except as otherwise provided in this chapter. Local agencies shall conduct meetings subject to this chapter consistent with applicable state and federal civil rights laws, including, but not limited to, any applicable language access and other nondiscrimination obligations.

(b) (1) Notwithstanding any other provision of law, the legislative body of a local agency may use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding authorized by law. The teleconferenced meeting or proceeding shall comply with all otherwise applicable requirements of this chapter and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding.

(2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. All votes taken during a teleconferenced meeting shall be by rollcall.

(3) If the legislative body of a local agency elects to use teleconferencing, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. During the teleconference, at least a quorum of the members of the legislative body
shall participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction, except as provided in subdivisions (d) and (e). The agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3 at each teleconference location.

(4) For the purposes of this section, “teleconference” means a meeting of a legislative body, the members of which are in different locations, connected by electronic means, through either audio or video, or both. Nothing in this section shall prohibit a local agency from providing the public with additional teleconference locations.

(c) (1) No legislative body shall take action by secret ballot, whether preliminary or final.

(2) The legislative body of a local agency shall publicly report any action taken and the vote or abstention on that action of each member present for the action.

(3) Prior to taking final action, the legislative body shall orally report a summary of a recommendation for a final action on the salaries, salary schedules, or compensation paid in the form of fringe benefits of a local agency executive, as defined in subdivision (d) of Section 3511.1, during the open meeting in which the final action is to be taken. This paragraph shall not affect the public’s right under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1) to inspect or copy records created or received in the process of developing the recommendation.

(d) (1) Notwithstanding the provisions relating to a quorum in paragraph (3) of subdivision (b), if a health authority conducts a teleconference meeting, members who are outside the jurisdiction of the authority may be counted toward the establishment of a quorum when participating in the teleconference if at least 50 percent of the number of members that would establish a quorum are present within the boundaries of the territory over which the authority exercises jurisdiction, and the health authority provides a teleconference number, and associated access codes, if any, that allows any person to call in to participate in the meeting and the number and access codes are identified in the notice and agenda of the meeting.

(2) Nothing in this subdivision shall be construed as discouraging health authority members from regularly meeting at a common physical site within the jurisdiction of the authority or from using teleconference locations within or near the jurisdiction of the authority. A teleconference meeting for which a quorum is established pursuant to this subdivision shall be subject to all other requirements of this section.

(3) For purposes of this subdivision, a health authority means any entity created pursuant to Sections 14018.7, 14087.31, 14087.35, 14087.36, 14087.38, and 14087.9605 of the Welfare and Institutions Code, any joint powers authority created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 for the purpose of contracting pursuant to Section 14087.3 of the Welfare and Institutions Code, and any advisory committee to a county-sponsored health plan licensed pursuant to Chapter
2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code if the advisory committee has 12 or more members.

(e) (1) A local agency may use teleconferencing without complying with the requirements of paragraph (3) of subdivision (b) if the legislative body complies with the requirements of paragraph (2) of this subdivision in any of the following circumstances:

(A) The legislative body holds a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing.

(B) The legislative body holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

(C) The legislative body holds a meeting during a proclaimed state of emergency and has determined, by majority vote, pursuant to subparagraph (B), that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

(2) A legislative body that holds a meeting pursuant to this subdivision shall do all of the following:

(A) The legislative body shall give notice of the meeting and post agendas as otherwise required by this chapter.

(B) The legislative body shall allow members of the public to access the meeting and the agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3. In each instance in which notice of the time of the teleconferenced meeting is otherwise given or the agenda for the meeting is otherwise posted, the legislative body shall also give notice of the means by which members of the public may access the meeting and offer public comment. The agenda shall identify and include an opportunity for all persons to attend via a call-in option or an internet-based service option. This subparagraph shall not be construed to require the legislative body to provide a physical location from which the public may attend or comment.

(C) The legislative body shall conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties and the public appearing before the legislative body of a local agency.

(D) In the event of a disruption which prevents the public agency from broadcasting the meeting to members of the public using the call-in option or internet-based service option, or in the event of a disruption within the local agency’s control which prevents members of the public from offering public comments using the call-in option or internet-based service option, the body shall take no further action on items appearing on the meeting agenda until public access to the meeting via the call-in option or internet-based service option is restored. Actions taken on agenda items during a disruption which prevents the public agency from broadcasting the meeting may be challenged pursuant to Section 54960.1.

(E) The legislative body shall not require public comments to be submitted in advance of the meeting and must provide an opportunity for
the public to address the legislative body and offer comment in real time. This subparagraph shall not be construed to require the legislative body to provide a physical location from which the public may attend or comment.

(F) Notwithstanding Section 54953.3, an individual desiring to provide public comment through the use of an internet website, or other online platform, not under the control of the local legislative body, that requires registration to log in to a teleconference may be required to register as required by the third-party internet website or online platform to participate.

(G) (i) A legislative body that provides a timed public comment period for each agenda item shall not close the public comment period for the agenda item, or the opportunity to register, pursuant to subparagraph (F), to provide public comment until that timed public comment period has elapsed.

(ii) A legislative body that does not provide a timed public comment period, but takes public comment separately on each agenda item, shall allow a reasonable amount of time per agenda item to allow public members the opportunity to provide public comment, including time for members of the public to register pursuant to subparagraph (F), or otherwise be recognized for the purpose of providing public comment.

(iii) A legislative body that provides a timed general public comment period that does not correspond to a specific agenda item shall not close the public comment period or the opportunity to register, pursuant to subparagraph (F), until the timed general public comment period has elapsed.

(3) If a state of emergency remains active, or state or local officials have imposed or recommended measures to promote social distancing, in order to continue to teleconference without compliance with paragraph (3) of subdivision (b), the legislative body shall, not later than 30 days after teleconferencing for the first time pursuant to subparagraph (A), (B), or (C) of paragraph (1), and every 30 days thereafter, make the following findings by majority vote:

(A) The legislative body has reconsidered the circumstances of the state of emergency.

(B) Any of the following circumstances exist:

(i) The state of emergency continues to directly impact the ability of the members to meet safely in person.

(ii) State or local officials continue to impose or recommend measures to promote social distancing.

(4) For the purposes of this subdivision, “state of emergency” means a state of emergency proclaimed pursuant to Section 8625 of the California Emergency Services Act (Article 1 (commencing with Section 8550) of Chapter 7 of Division 1 of Title 2).

(f) This section shall remain in effect only until January 1, 2024, and as of that date is repealed.

SEC. 4. Section 54953 is added to the Government Code, to read:

54953. (a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting
of the legislative body of a local agency, except as otherwise provided in this chapter.

(b) (1) Notwithstanding any other provision of law, the legislative body of a local agency may use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding authorized by law. The teleconferenced meeting or proceeding shall comply with all requirements of this chapter and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding.

(2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. All votes taken during a teleconferenced meeting shall be by rollcall.

(3) If the legislative body of a local agency elects to use teleconferencing, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the legislative body of a local agency. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. During the teleconference, at least a quorum of the members of the legislative body shall participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction, except as provided in subdivision (d). The agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3 at each teleconference location.

(4) For the purposes of this section, “teleconference” means a meeting of a legislative body, the members of which are in different locations, connected by electronic means, through either audio or video, or both. Nothing in this section shall prohibit a local agency from providing the public with additional teleconference locations.

(c) (1) No legislative body shall take action by secret ballot, whether preliminary or final.

(2) The legislative body of a local agency shall publicly report any action taken and the vote or abstention on that action of each member present for the action.

(3) Prior to taking final action, the legislative body shall orally report a summary of a recommendation for a final action on the salaries, salary schedules, or compensation paid in the form of fringe benefits of a local agency executive, as defined in subdivision (d) of Section 3511.1, during the open meeting in which the final action is to be taken. This paragraph shall not affect the public’s right under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1) to inspect or copy records created or received in the process of developing the recommendation.

(d) (1) Notwithstanding the provisions relating to a quorum in paragraph (3) of subdivision (b), if a health authority conducts a teleconference meeting,
members who are outside the jurisdiction of the authority may be counted toward the establishment of a quorum when participating in the teleconference if at least 50 percent of the number of members that would establish a quorum are present within the boundaries of the territory over which the authority exercises jurisdiction, and the health authority provides a teleconference number, and associated access codes, if any, that allows any person to call in to participate in the meeting and the number and access codes are identified in the notice and agenda of the meeting.

(2) Nothing in this subdivision shall be construed as discouraging health authority members from regularly meeting at a common physical site within the jurisdiction of the authority or from using teleconference locations within or near the jurisdiction of the authority. A teleconference meeting for which a quorum is established pursuant to this subdivision shall be subject to all other requirements of this section.

(3) For purposes of this subdivision, a health authority means any entity created pursuant to Sections 14018.7, 14087.31, 14087.35, 14087.36, 14087.38, and 14087.9605 of the Welfare and Institutions Code, any joint powers authority created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 for the purpose of contracting pursuant to Section 14087.3 of the Welfare and Institutions Code, and any advisory committee to a county-sponsored health plan licensed pursuant to Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code if the advisory committee has 12 or more members.

(e) This section shall become operative January 1, 2024.

SEC. 4.1. Section 54953 is added to the Government Code, to read:

54953. (a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency, in person except as otherwise provided in this chapter. Local agencies shall conduct meetings subject to this chapter consistent with applicable state and federal civil rights laws, including, but not limited to, any applicable language access and other nondiscrimination obligations.

(b) (1) Notwithstanding any other provision of law, the legislative body of a local agency may use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding authorized by law. The teleconferenced meeting or proceeding shall comply with all requirements of this chapter and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding.

(2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. All votes taken during a teleconferenced meeting shall be by rollcall.

(3) If the legislative body of a local agency elects to use teleconferencing, it shall post agendas at all teleconference locations and conduct teleconference meetings in a manner that protects the statutory and constitutional rights of the parties or the public appearing before the
legislative body of a local agency. Each teleconference location shall be identified in the notice and agenda of the meeting or proceeding, and each teleconference location shall be accessible to the public. During the teleconference, at least a quorum of the members of the legislative body shall participate from locations within the boundaries of the territory over which the local agency exercises jurisdiction, except as provided in subdivision (d). The agenda shall provide an opportunity for members of the public to address the legislative body directly pursuant to Section 54954.3 at each teleconference location.

(4) For the purposes of this section, "teleconference" means a meeting of a legislative body, the members of which are in different locations, connected by electronic means, through either audio or video, or both. Nothing in this section shall prohibit a local agency from providing the public with additional teleconference locations.

(c) (1) No legislative body shall take action by secret ballot, whether preliminary or final.

(2) The legislative body of a local agency shall publicly report any action taken and the vote or abstention on that action of each member present for the action.

(3) Prior to taking final action, the legislative body shall orally report a summary of a recommendation for a final action on the salaries, salary schedules, or compensation paid in the form of fringe benefits of a local agency executive, as defined in subdivision (d) of Section 3511.1, during the open meeting in which the final action is to be taken. This paragraph shall not affect the public's right under the California Public Records Act (Chapter 3.5 commencing with Section 6250) of Division 7 of Title 1) to inspect or copy records created or received in the process of developing the recommendation.

(d) (1) Notwithstanding the provisions relating to a quorum in paragraph (3) of subdivision (b), if a health authority conducts a teleconference meeting, members who are outside the jurisdiction of the authority may be counted toward the establishment of a quorum when participating in the teleconference if at least 50 percent of the number of members that would establish a quorum are present within the boundaries of the territory over which the authority exercises jurisdiction, and the health authority provides a teleconference number, and associated access codes, if any, that allows any person to call in to participate in the meeting and the number and access codes are identified in the notice and agenda of the meeting.

(2) Nothing in this subdivision shall be construed as discouraging health authority members from regularly meeting at a common physical site within the jurisdiction of the authority or from using teleconference locations within or near the jurisdiction of the authority. A teleconference meeting for which a quorum is established pursuant to this subdivision shall be subject to all other requirements of this section.

(3) For purposes of this subdivision, a health authority means any entity created pursuant to Sections 14018.7, 14087.31, 14087.35, 14087.36, 14087.38, and 14087.9605 of the Welfare and Institutions Code, any joint
powers authority created pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 for the purpose of contracting pursuant to Section 14087.3 of the Welfare and Institutions Code, and any advisory committee to a county-sponsored health plan licensed pursuant to Chapter 2.2 (commencing with Section 1340) of Division 2 of the Health and Safety Code if the advisory committee has 12 or more members.

(e) This section shall become operative January 1, 2024.

SEC. 5. Sections 3.1 and 4.1 of this bill incorporate amendments to Section 54953 of the Government Code proposed by both this bill and Assembly Bill 339. These sections of this bill shall only become operative if (1) both bills are enacted and become effective on or before January 1, 2022, but this bill becomes operative first, (2) each bill amends Section 54953 of the Government Code, and (3) this bill is enacted after Assembly Bill 339, in which case Section 54953 of the Government Code, as amended by Sections 3 and 4 of this bill, shall remain operative only until the operative date of Assembly Bill 339, at which time Sections 3.1 and 4.1 of this bill shall become operative.

SEC. 6. It is the intent of the Legislature in enacting this act to improve and enhance public access to state and local agency meetings during the COVID-19 pandemic and future applicable emergencies, by allowing broader access through teleconferencing options consistent with the Governor's Executive Order No. N-29-20 dated March 17, 2020, permitting expanded use of teleconferencing during the COVID-19 pandemic.

SEC. 7. The Legislature finds and declares that Sections 3 and 4 of this act, which amend, repeal, and add Section 54953 of the Government Code, further, within the meaning of paragraph (7) of subdivision (b) of Section 3 of Article I of the California Constitution, the purposes of that constitutional section as it relates to the right of public access to the meetings of local public bodies or the writings of local public officials and local agencies. Pursuant to paragraph (7) of subdivision (b) of Section 3 of Article I of the California Constitution, the Legislature makes the following findings:

This act is necessary to ensure minimum standards for public participation and notice requirements allowing for greater public participation in teleconference meetings during applicable emergencies.

SEC. 8. (a) The Legislature finds and declares that during the COVID-19 public health emergency, certain requirements of the Bagley-Keene Open Meeting Act (Article 9 commencing with Section 11120) of Chapter 1 of Part 1 of Division 3 of Title 2 of the Government Code were suspended by Executive Order N-29-20. Audio and video teleconference were widely used to conduct public meetings in lieu of physical location meetings, and public meetings conducted by teleconference during the COVID-19 public health emergency have been productive, have increased public participation by all members of the public regardless of their location in the state and ability to travel to physical meeting locations, have protected the health and safety of civil servants and the public, and have reduced travel costs incurred by members of state bodies and reduced work hours spent traveling to and from meetings.
(b) The Legislature finds and declares that Section 1 of this act, which adds and repeals Section 89305.6 of the Education Code, Section 2 of this act, which adds and repeals Section 11133 of the Government Code, and Sections 3 and 4 of this act, which amend, repeal, and add Section 54953 of the Government Code, all increase and potentially limit the public’s right of access to the meetings of public bodies or the writings of public officials and agencies within the meaning of Section 3 of Article I of the California Constitution. Pursuant to that constitutional provision, the Legislature makes the following findings to demonstrate the interest protected by this limitation and the need for protecting that interest:

(1) By removing the requirement that public meetings be conducted at a primary physical location with a quorum of members present, this act protects the health and safety of civil servants and the public and does not preference the experience of members of the public who might be able to attend a meeting in a physical location over members of the public who cannot travel or attend that meeting in a physical location.

(2) By removing the requirement for agendas to be placed at the location of each public official participating in a public meeting remotely, including from the member’s private home or hotel room, this act protects the personal, private information of public officials and their families while preserving the public’s right to access information concerning the conduct of the people’s business.

SEC. 9. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the California Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to ensure that state and local agencies can continue holding public meetings while providing essential services like water, power, and fire protection to their constituents during public health, wildfire, or other states of emergencies, it is necessary that this act take effect immediately.

**Background and Analysis:**

The City Treasurer is required by the State of California Government Code Section 53646, to present to the City Council the City’s Investment Policy on an annual basis. Appropriate revisions to the policy can be made at this time if deemed necessary.

The City of Irwindale’s Investment Policy was last reviewed and approved on June 9, 2021. The City Treasurer has reviewed the current Investment Policy and has recommended changes to the policy, as shown in the redlined policy, attached hereto as Exhibit "A.". Changes include a modification to the definition of “prudent investor standard” in accordance with Government Code section 53600.3; the addition of Irwindale Reclamation Authority in Authorized Investments, section O; and minor typographical clean-up. The Investment Policy continues adhering to the City’s objectives of safety, liquidity and yield, and continues delegating investment authority to the City Treasurer.

The Investment Policy requires that an Investment Report be presented to the City Council/Boardmembers on a quarterly basis, which shall present the status of the City’s current investment portfolio. In accordance with this requirement, an Investment Report is presented to the City Council/Boardmembers on a quarterly basis.

The next Investment Report will be presented to the City Council/Boardmembers at their regularly scheduled meeting on July 27, 2022, and it will list the combined investment portfolio for the City of Irwindale, Successor Agency, Housing Authority, and Reclamation Authority as of the quarter ending June 30, 2022.

POLICY

The investment of the funds of the City of Irwindale ("City") is directed toward the goals of safety, liquidity and yield. The State of California authority governing investments for municipal governments is set forth in the California Government Code, Sections 53601 through 53659.

The primary objective of the investment policy ("Policy") of the City is SAFETY OF PRINCIPAL. Investments shall be placed in securities as outlined in the authorized investments and maturity sections of this document. Effective cash flow management and resulting cash investment practices are recognized as essential to good fiscal management and control. The City monitors cash flow on a daily basis and reports results to City Council quarterly to help ensure that liquidity is never threatened. The City's portfolio shall be designed and managed in a manner responsive to the public trust and consistent with state and local law. Portfolio management requires continual analysis and as a result the balance between the various investments and maturities may change in order to give the City the optimum combination of necessary liquidity and yield based on cash flow projections.

SCOPE

The investment policy applies to all financial assets of the City as accounted for the Annual Comprehensive Financial Report (ACFR). Policy statements outlined in this document focus on the City’s pooled funds, but will also apply to all other funds under the City Treasurer’s span of control unless specifically exempted by resolution. This includes funds of the City of Irwindale, as well as the Irwindale Successor Agency, Irwindale Housing Authority, and the Irwindale Reclamation Authority. Retirement, Pension and Deferred Compensation Funds are excluded from this Policy. Funds held by a fiscal agent or trustee and pledged to payment for or security of bonds or other obligations of the City may be invested pursuant to the provisions governing the issuance of the bonds, debt or obligation of the City.
PRUDENCE

The standard to be used by investment officials shall be that of a "prudent investor" and shall be applied in the context of managing all aspects of the overall portfolio. The "prudent investor" standard is defined as: Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, direction and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived. When investing, reinvesting, purchasing, acquiring, exchanging, selling, or managing public funds, a trustee shall act with care, skill, prudence, and diligence under the circumstances then prevailing, including, but not limited to, the general economic conditions and the anticipated needs of the agency. A prudent person acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the agency. Within the limitations of this section and considering individual investments as part of an overall strategy, investments may be acquired as authorized by law.

The City Treasurer and other individuals assigned to manage the investment portfolio, acting within the intent and scope of the investment policy and other written procedures and exercising due diligence, shall be relieved of personal responsibility and liability for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely manner and appropriate action is taken to control adverse developments.

OBJECTIVES

Safety of Principal

Safety of principal is the foremost objective of the City. Each investment transaction shall seek to ensure that capital losses are avoided, whether from securities default, broker-dealer default or erosion of market value. The City shall seek to preserve principal by mitigating the two types of risk, credit risk and market risk, defined below:

Credit risk, defined as the risk of loss due to failure of the issuer of a security, shall be mitigated by investing in investment grade securities and by diversifying the investment portfolio.

Market risk, defined as market value fluctuations due to overall changes in the general level of interest rates, shall be mitigated by limiting the average
maturity of the City's investment portfolio to three years, the maximum maturity of any one security to five years, structuring the portfolio based on historic and current cash flow analysis, thereby eliminating the need to sell securities prior to maturity and avoiding the purchase of long term securities for the sole purpose of short term speculation.

**Liquidity**

The City's investment portfolio will remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that securities mature concurrent with cash needs to meet anticipated demands (static liquidity). A portion of the portfolio may be placed in money market mutual funds or local government investment pools that offer same day liquidity for short-term funds. Furthermore, since all possible cash demands cannot be anticipated, the portfolio should consist largely of securities with active secondary or resale markets (dynamic liquidity).

**Yield: Return on Investments**

The City's investment portfolio shall be designed with the objective of attaining a market rate of return through budgetary and economic cycles, commensurate with the City's investment risk constraints and the cash flow characteristics of the portfolio. Return on investment is of least importance compared to the safety and liquidity objectives described above.

**INVESTMENT MATURITY**

To the extent possible, the City will attempt to match its investments with anticipated cash flow requirements. Unless matched to a specific cash flow, the City will not directly invest in securities maturing more than 5 years from the date of purchase. At no point in time, shall more than one third of the investment portfolio have a maturity date in excess of three years into the future.

Reserve funds may be invested in securities exceeding five years if the maturity of such investments is made to coincide as nearly as practicable with the expected use of the funds.

**AUTHORIZED BANKS AND SECURITY DEALERS**

In selecting financial institutions for the deposit or investment of City funds, the Treasurer shall consider the credit-worthiness of institutions, and utilize only those depositories that are qualified public depositories as established by state law.
addition, only broker-dealers that are authorized in the state of California will be utilized. The Treasurer shall continue to monitor financial institutions' credit characteristics and financial history throughout the period in which City funds are deposited or invested.

All broker-dealers who desire to become qualified bidders for investment transactions must supply the Treasurer with the following items: audited financial statements; National Association of Securities Dealers (NASD) certification; proof of state registration; and certification of awareness of, and familiarity with Irwindale's investment policy. A competitive bid process will be used when practical to select broker-dealers.

AUTHORIZED INVESTMENTS

Purchase of investments will be made with surplus funds available. Investments will be paid for, in full, as soon as practical after the time of trade. Purchases will not be made using leverage, margin accounts, reverse repurchase agreement, or other unfunded mechanisms. No investments shall conflict with Government Code section 53601.

Eligible vehicles for the investment of funds shall be limited to:

b) Bonds issued by the City of Irwindale, including bonds payable solely out of the revenues from a revenue-producing property owned, controlled, or operated by the City or by a department board, agency, or authority of the City.

c) Bonds, notes, and similar securities issued by the United States Treasury. There will be no options or like instruments purchased.

d) Bonds, notes and similar securities issued by United States government agencies. There will be no options or like instruments purchased.

e) Notwithstanding the above limitations, purchase of callable bonds and notes is permissible.

f) Registered state warrants or treasury notes or bonds issued by the State of California.

g) Bonds, notes, warrants or other evidence of debt issued by a local agency
within the State of California, including pooled investment accounts sponsored by the State of California, County Treasurers, other local agencies or Joint Powers Agencies.

h) Medium term notes (not to exceed 5 years) of US corporations rated “A” or better by Moody's or S&P. Not more than 30% of surplus funds can be invested in medium term notes.

i) Negotiable certificates of deposit which are fully insured by the Federal Deposit of Insurance Corporation (FDIC).

j) Collateralized bank deposits with a perfected security interest in accordance with the Uniform Commercial Code (UCC) or applicable federal security regulations.

k) Banker’s acceptances, accepted by domestic banks, which are members of the Federal Reserve System and are eligible for purchase or discount by the Federal Reserve System. Must have a commercial paper rating of A1 or P1. Purchases of banker’s acceptances may not exceed 180 days maturity or 20% of the City’s investment portfolio. No more than 10% of the investment portfolio may be invested in the banker’s acceptances of any one commercial bank.

l) Repurchase/Reverse Repurchase Agreements of any securities authorized by this Section. Investment in Repurchase Agreements may not exceed a term of one year and the market value of the securities that underlay a Repurchase Agreement shall be no less than 102% of the funds borrowed against those securities because Repurchase Agreement limitations are set forth in California Government Code 53601(i) and (j).

m) Medium term notes (remaining term not to exceed five years) of U.S. corporations rated “A” or better by Moody’s or Standard & Poor’s Corporation. Not more than 30% of the market value of the portfolio and no more than 15% of the market value of the portfolio may be invested in notes issued by one corporation.

n) Other investment instruments whose principal is guaranteed by the US government through programs such as the Temporary Liquidity Guarantee Program. Thus, corporate bonds are allowable investments if they are insured by the federal government or FDIC (TLGP).

o) Loans between the City of Irwindale funds and other City Agency funds,
which include the Housing Authority, Successor Agency, and the Reclamation Authority. Any loans made shall be approved by resolution which shall describe the purpose of the inter-agency fund loan, and include a Promissory Note that stipulates all terms of the loan. The Interest for any inter-agency fund loan shall be in line with the customary interest rate of investments for similar terms as exhibited in the latest City Treasurer’s Quarterly Report of Investments.

DERIVATIVE INVESTMENTS

Derivatives are investments whose value is "derived" from a benchmark or index. That benchmark can be almost any financial measure from interest rates to commodity and stock prices. The City’s investment policy shall be in compliance with California State Government Code which, effective January 1996, prohibits the purchase of inverse floaters, range notes, interest only strips or securities that could result in zero interest accrual at any point in the life of the security.

Future purchases of securities classified as derivative securities must be issued by an agency or entity authorized by this investment policy and must receive prior approval from the Governing Body.

COLLATERAL REQUIREMENTS

Collateral is required for investments in certificates of deposits, repurchase agreements and reverse repurchase agreements. In order to reduce market risk, the collateral level will be at least 102% of market value principal and accrued interest.

The only securities acceptable as collateral shall be direct obligations of, or fully guaranteed as to principal and interest by, the United States or any agency of the United States.

SAFEKEEPING OF SECURITIES

To protect against fraud or embezzlement, or losses caused by collapse of an individual securities dealer, all securities owned by the City shall be held in safekeeping by a third party bank trust department, acting as agent for the City under the terms of a custody agreement or Public Securities Association agreement (repurchase agreement collateral). All trades executed by a dealer will settle delivery vs. payment (DVP) through the City's safekeeping agent.

Securities held in custody for the City shall be independently audited on an annual
basis to verify investment holdings.

All exceptions to this safekeeping policy must be approved by the City Treasurer in written form and included in monthly reporting to City Council.

**PERFORMANCE EVALUATION**

The investment portfolio shall be designed with the objective of obtaining a rate of return throughout budgetary and economic cycles, commensurate with the investment risk constraints and the cash flow needs.

The City's investment strategy is passive. Passive investment portfolio management generally indicates that the Treasurer will purchase an instrument and hold it through to call or maturity, and then reinvest the monies. Although the City's investment strategy is passive, this will not restrict the Treasurer from evaluating when swaps are appropriate or if the sale of an instrument is prudent prior to final maturity. Given this strategy, the basis used by the Treasurer to determine whether market yields are being achieved shall be the Local Agency Investment Funds (LAIF).

**DELEGATION OF AUTHORITY**

The Charter of the City assigns the custody of all City funds to the City Treasurer. Pursuant to the Government Code, the City Council may delegate to the Treasurer for a one-year period the authority to invest or to reinvest all funds of the City. The City Treasurer shall establish procedures for the operation consistent with this investment policy. The City Treasurer may authorize other Finance Department staff to initiate investment transactions.

**ETHICS AND CONFLICTS OF INTEREST**

Officers and employees involved in the investment process shall refrain from personal business activity that conflicts with proper execution of the investment program, or impairs their ability to make impartial investment decisions. Additionally, the City Treasurer is required to annually file applicable financial disclosures as required by the Fair Political Practices Commission.

**INTERNAL CONTROL**

The Treasurer shall establish an annual process of independent review by an external auditor. This review will provide internal control by assuring compliance with the City's Investment Policy and for establishing internal controls that are
designed to prevent losses due to fraud, negligence, and third-party misrepresentation. Accordingly, the City Treasurer shall establish procedures for the operation of the City's investment program that are consistent with the provisions of this Investment Policy.

Internal controls deemed most important shall include (but not limited to): avoidance of collusion; separation of duties and administrative controls; separating transaction authority from accounting and record keeping; custodial safekeeping; clear delegation of authority; management approval and review of investment transactions; specific limitations regarding securities losses and remedial action; written confirmation of telephone transactions; documentation of investment transactions and strategies; and monitoring of results.

**REPORTING**

The City Treasurer shall provide the City Council/Boardmembers quarterly investment reports which provide a clear picture of the status of the current investment portfolio. The treasurer's report shall include the type of investments, the issuers, maturity dates, par values, and the current market values of each component of the portfolio, including funds managed for the City by third party safekeeping custodians. The report will also include the source of the portfolio valuation. The report must also include a certification that the City will meet its expenditure obligations for the next six months as required by California Government Code Section 53646(b)(3). The City Treasurer shall maintain a complete and timely record of all investment transactions.

**LEGISLATIVE CHANGES**

Any State of California legislative action, that further restricts allowable maturities, investment type or percentage allocations, will be incorporated into the City's Investment Policy and supersede any and all previous applicable language.

**POLICY REVIEW**

The Statement of Investment Policy shall be updated annually in the month of June by the City Treasurer and submitted to the City Council for review and adoption.

Issue: RESOLUTION TO ACCEPT A DONATION FROM THE IRWINDALE COMMUNITY FOUNDATION

City Manager’s Recommendation:

It is recommended that the City Council adopt Resolution No. 2022-56-3306 entitled, “A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF IRWINDALE ACCEPTING AND APPROVING THE APPROPRIATION OF DONATED FUNDS FROM THE IRWINDALE COMMUNITY FOUNDATION FOR Fiscal Year 2022-2023”.

Administrative Action:

Julian A. Miranda, City Manager
Background and Analysis:

1. On May 17, 2022, the Irwindale Community Foundation approved a donation to the City in the amount of $36,370. The City Council accepted and approved the donation via adoption of Resolution No. 2022-50-3300 on May 26, 2022.

2. On May 24, 2022, the Irwindale Community Foundation approved an additional donation to the City in the amount of $78,850, distributed to the following departments:

<table>
<thead>
<tr>
<th>Department</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Recreation</td>
<td>$50,700</td>
</tr>
<tr>
<td>Aquatics</td>
<td>8,800</td>
</tr>
<tr>
<td>Senior Center</td>
<td>19,350</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$78,850</strong></td>
</tr>
</tbody>
</table>

3. Of the $50,700 allocated to the Recreation Department, $9,600 is deducted for the previously budgeted contract Fitness Trainer. This program was part of the $24,000 appropriation approved by the City Council on May 26, 2022 (Attachment “A”), however the program was not identified as an expense request when the matter was presented to the Irwindale Community Foundation. At the City Council Budget Workshop #2, held on May 26, 2022, the City Council approved fitness training for five City employees, eliminating the fitness trainer request. Staff will inform the Irwindale Community Foundation Board of this change at its next regularly scheduled meeting.

4. It would be appropriate at this time for the City Council to formally accept the generous donation of $69,250 ($78,850 - 9,600) from the Irwindale Community Foundation on behalf of the City and appropriate these funds for use in Fiscal Year 2022/2023.

Fiscal Impact:

Approving Resolution No. 2022-56-3306, and thereby accepting this donation, will make it possible for the Public Services Departments to offer certain events, programs, and activities not currently budgeted. This will provide a benefit to the community while also saving General Fund monies. A budget request itemizing how the corresponding donations to each department are planned to be utilized was presented to the City Council at the Budget Workshop #2 held on May 26, 2022.

AGENDA REPORT

Date: June 8, 2022
To: Honorable Mayor and Members of the City Council
From: Julian A. Miranda, City Manager
Issue: Request to Conduct Fireworks Sales –Irwindale Sister Cities Association and Irwindale Lions Club

City Manager’s Recommendation:

Approve the requests of the following non-profit organizations / corporations / associations that met the criteria established by the Irwindale Municipal Code to conduct fireworks sales, subject to compliance with all City, County and State regulations: Irwindale Sister City Association and Irwindale Lions Club

Administrative Action:

Prepared / Submitted by:
Laura Nieto, Chief Deputy City Clerk

Reviewed by:
Adrian R. Guerra, City Attorney

Kambiz Borhani, Finance Director / City Treasurer

Approved by:
Julian A. Miranda, City Manager

Background and Analysis:

Fireworks sales are permitted by non-profit organizations, corporations, or associations, (1) organized primarily for veteran, patriotic, welfare, civic betterment, religious or charitable purposes, (2) with the principal and permanent meeting place, office, or place of worship within the city, (3) established and organized within the City of Irwindale for a minimum period of one year (Chapter 8.16 of the Irwindale Municipal Code). This activity is a primary
source of funds for these organizations and allows them to provide assistance to the community throughout the year.

The Irwindale Sister City Association and the Irwindale Lions Club have submitted applications for fireworks sales. The Irwindale Sister City Association is qualified to sell fireworks because they have been organized for the purpose of enhancing and informing future residents of the cultural and heritage connections with a community in the Republic of Mexico; and the Irwindale Lions Club is qualified to sell fireworks because they have been organized to educate, restore vision and prevent blindness for disadvantaged men, women and children. Both organizations have (1) been established in the city for a minimum period of one year, continuously, preceding the filing of their application for permit and (2) conduct their meetings in Irwindale.

The organizations have provided the required documentation and refundable deposit. (A copy of the application forms submitted by Irwindale Sister City Association and the Irwindale Lions Club are attached hereto. Confidential documentation, e.g., sales tax information, is on file in the office of the Chief Deputy City Clerk).

Applications require the exact location of the stand, as proposed. For the Irwindale Sister City Association, the stand is proposed to be located at 16000-16030 Arrow Highway; for the Irwindale Lions Club, the stand is proposed to be located at 15814 E. Arrow Highway.

Pursuant to Section 8.16.060 of the Irwindale Municipal Code, “All applications for fireworks stands shall be referred to the city council for approval, conditional approval or denial. The city council shall deny any fireworks stand permit if it finds that the public interest or safety is, or would be, jeopardized by the issuance thereof. The decision of the council shall, in all cases, be final and conclusive.”

Here, based on staff's review, there are no public interest or safety reasons that have been identified which would warrant denial of the applications. Accordingly, staff recommends approval of the applications for fireworks sales.

**Fiscal Impact:**

A $50 refundable security deposit is paid by the organizations when the application is filed. Upon final inspection by the Chief of Police, the deposit is refunded to the organization.

Background and Analysis:

The Irwindale Police Department references the City's jurisdictional boundary line when completing police reports in the field. When the City's boundary line is located on a public road and is shared with a neighboring City, it is sometimes difficult for police officers to distinguish where the City boundary line is and which jurisdiction an incident occurred. Therefore, the Irwindale Police Department requested that the city boundary lines be identified and painted at certain locations. Public Works Engineering staff will contract professional surveying services to assist with identifying the City's boundaries, installing boundary markers and painting the boundary line with blue paint.

On March 24, 2022, staff issued a Request for Proposal (RFP) for professional surveying services for the preparation of a jurisdictional boundary survey, installation of 19 missing boundary markers and painting of the blue lines. Staff received proposals from three qualified professional surveying firms on April 20, 2022 with the following results:

This AGREEMENT FOR CONTRACT SERVICES (herein “Agreement”) is made and entered into this 8th day of June, 2022 by and between the CITY OF IRWINDALE, a California Charter City and municipal corporation (“City”) and Chris Nelson and Associates Inc., 28118 Agoura Road, Suite 100, Agoura Hills, CA 91301 (“Consultant”). City and Consultant are sometimes hereinafter individually referred to as “Party” and hereinafter collectively referred to as the “Parties.”

NOW, THEREFORE, the parties hereto agree as follows:

1. SERVICES OF CONSULTANT

1.1 Scope of Services. In compliance with all of the terms and conditions of this Agreement, the Consultant shall perform the work or services set forth in the “Scope of Services” attached hereto as Exhibit “A” and incorporated herein by reference. Consultant warrants that it has the experience and ability to perform all work and services required hereunder and that it shall diligently perform such work and services in a professional and satisfactory manner.

1.2 Compliance With Law. All work and services rendered hereunder shall be provided in accordance with all ordinances, resolutions, statutes, rules, and regulations of the City and any Federal, State or local governmental agency of competent jurisdiction.

1.3 Licenses, Permits, Fees and Assessments. Consultant shall obtain at its sole cost and expense such licenses, permits, and approvals as may be required by law for the performance of the services required by the Agreement.

1.4 Special Requirements. Additional terms and conditions of this Agreement, if any, which are made a part hereof are set forth in the “Special Requirements” attached hereto as Exhibit “B” and incorporated herein by this reference. In the event of a conflict between the provisions of Exhibit “B” and any other provisions of this Agreement, the provisions of Exhibit “B” shall govern.

2. COMPENSATION

2.1 Contract Sum. For the services rendered pursuant to this Agreement, Consultant shall be compensated in accordance with the “Schedule of Compensation” attached hereto as Exhibit “C” and incorporated herein by this reference, but not exceeding the maximum contract amount of Thirty Nine Thousand Six Hundred and 00/100 Dollars ($39,600) (“Contract Sum”).
2.2 Invoices. Each month Consultant shall furnish to City an original invoice for all work performed and expenses incurred during the preceding month in a form approved by City's Director of Finance. By submitting an invoice for payment under this Agreement, Consultant is certifying compliance with all provisions of the Agreement. The invoice shall detail charges for all necessary and actual expenses by the following categories: labor (by sub-category), travel, materials, equipment, supplies, and subcontractor contracts. Subcontractor charges shall also be detailed by such categories. Consultant shall not invoice City for any duplicate services performed by more than one person.

City shall independently review each invoice submitted by the Consultant to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by City, City will use its best efforts to cause Consultant to be paid within forty five (45) days of receipt of Consultant’s correct and undisputed invoice; however, Consultant acknowledges and agrees that due to City warrant run procedures, the City cannot guarantee that payment will occur within this time period. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Consultant for correction and resubmission. Review and payment by the City of any invoice provided by the Consultant shall not constitute a waiver of any rights or remedies provided herein or any applicable law.

2.3 Additional Services. City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to or deducting from said work. No such extra work may be undertaken unless a written order is first given by the Contract Officer to the Consultant, incorporating therein any adjustment in (i) the Contract Sum for the actual cost of the extra work, and/or (ii) the time to perform this Agreement, which said adjustments are subject to the written approval of the Consultant. Any increase in compensation of up to fifteen percent (15%) of the Contract Sum but not exceeding a total contract amount of Five Thousand Nine Hundred Forty Dollars ($5,940) or in the time to perform of up to ninety (90) days may be approved by the Contract Officer. Any greater increases, taken either separately or cumulatively, must be approved by the City Council. No claim for an increase in the Contract Sum or time for performance shall be valid unless the procedures established in this Section are followed.

3. PERFORMANCE SCHEDULE

3.1 Time of Essence. Time is of the essence in the performance of this Agreement.

3.2 Schedule of Performance. Consultant shall commence the services pursuant to this Agreement upon receipt of a written notice to proceed and shall perform all services within the time period(s) established in the “Schedule of Performance” attached hereto as Exhibit “D” and incorporated herein by this reference. When requested by the Consultant, extensions to the time period(s) specified in the Schedule of Performance may be approved in writing by the Contract Officer but not exceeding thirty (30) days cumulatively.

3.3 Force Majeure. The time period(s) specified in the Schedule of Performance for performance of the services rendered pursuant to this Agreement shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of
the Consultant, including, but not restricted to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including the City, if the Consultant shall within ten (10) days of the commencement of such delay notify the Contract Officer in writing of the causes of the delay. The Contract Officer shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of the Contract Officer such delay is justified. The Contract Officer's determination shall be final and conclusive upon the parties to this Agreement. In no event shall Consultant be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Consultant's sole remedy being extension of the Agreement pursuant to this Section.

3.4 Term. Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of the services but not exceeding one (1) year from the date hereof, except as otherwise provided in the Schedule of Performance (Exhibit “D”).

4. COORDINATION OF WORK

4.1 Representative of Consultant. Mr. Chris Nelson, PLS is hereby designated as being the representative of Consultant authorized to act on its behalf with respect to the work and services specified herein and make all decisions in connection therewith. All personnel of Consultant and any authorized agents shall be under the exclusive direction of the representative of Consultant. Consultant shall utilize only competent personnel to perform services pursuant to this Agreement. Consultant shall make every reasonable effort to maintain the stability and continuity of Consultant's staff and subcontractors, and shall keep City informed of any changes.

4.2 Contract Officer. Julian A. Miranda [or such person as may be designated by the City Manager] is hereby designated as being the representative the City authorized to act in its behalf with respect to the work and services specified herein and to make all decisions in connection therewith (“Contract Officer”).

4.3 Prohibition Against Subcontracting or Assignment. Consultant shall not contract with any entity to perform in whole or in part the work or services required hereunder without the express written approval of the City. Neither this Agreement nor any interest herein may be assigned or transferred, voluntarily or by operation of law, without the prior written approval of City. Any such prohibited assignment or transfer shall be void.

4.4 Independent Consultant. Neither the City nor any of its employees shall have any control over the manner, mode or means by which Consultant, its agents or employees, perform the services required herein, except as otherwise set forth. Consultant shall perform all services required herein as an independent contractor of City with only such obligations as are consistent with that role. Consultant shall not at any time or in any manner represent that it or any of its agents or employees are agents or employees of City, or that it is a member of a joint enterprise with City.
5. INSURANCE AND INDEMNIFICATION

5.1 Insurance Coverages. The Consultant shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance which shall cover all elected and appointed officers, employees and agents of City:

(a) Commercial General Liability Insurance (Occurrence Form CG0001 or equivalent). A policy of comprehensive general liability insurance written on a per occurrence basis for bodily injury, personal injury and property damage. The policy of insurance shall be in an amount not less than $1,000,000.00 per occurrence or if a general aggregate limit is used, either the general aggregate limit shall apply separately to this contract/location, or the general aggregate limit shall be twice the occurrence limit.

(b) Worker’s Compensation Insurance. A policy of worker’s compensation insurance in such amount as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for the Consultant against any loss, claim or damage arising from any injuries or occupational diseases occurring to any worker employed by or any persons retained by the Consultant in the course of carrying out the work or services contemplated in this Agreement.

(c) Automotive Insurance (Form CA 0001 (Ed 1/87) including “any auto” and endorsement CA 0025 or equivalent). A policy of comprehensive automobile liability insurance written on a per occurrence for bodily injury and property damage in an amount not less than either (i) bodily injury liability limits of $100,000 per person and $300,000 per occurrence and property damage liability limits of $150,000 per occurrence or (ii) combined single limit liability of $1,000,000. Said policy shall include coverage for owned, non-owned, leased, hired cars, and any other automobile.

(d) Professional Liability. Professional liability insurance appropriate to the Consultant’s profession. This coverage may be written on a “claims made” basis, and must include coverage for contractual liability. The professional liability insurance required by this Agreement must be endorsed to be applicable to claims based upon, arising out of or related to services performed under this Agreement. The insurance must be maintained for at least 5 consecutive years following the completion of Consultant’s services or the termination of this Agreement. During this additional 5-year period, Consultant shall annually and upon request of the City submit written evidence of this continuous coverage.

(e) Additional Insurance. Policies of such other insurance, as may be required in the Special Requirements in Exhibit “B”.

(f) Subcontractors. Consultant shall include all subcontractors as insureds under its policies or shall furnish separate certificates and certified endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

5.2 General Insurance Requirements.
All of the above policies of insurance shall be primary insurance and shall name the City, its elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or its officers, employees or agents may apply in excess of, and not contribute with Consultant’s insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. The insurance policy must specify that where the primary insured does not satisfy the self-insured retention, any additional insured may satisfy the self-insured retention. All of said policies of insurance shall provide that said insurance may not be amended or cancelled by the insurer or any party hereto without providing thirty (30) days prior written notice by certified mail return receipt requested to the City. In the event any of said policies of insurance are cancelled, the Consultant shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section 5.1 to the Contract Officer. No work or services under this Agreement shall commence until the Consultant has provided the City with Certificates of Insurance, additional insured endorsement forms or appropriate insurance binders evidencing the above insurance coverages and said Certificates of Insurance or binders are approved by the City. City reserves the right to inspect complete, certified copies of and endorsement to all required insurance policies at any time. Any failure to comply with the reporting or other provisions of the policies including breaches or warranties shall not affect coverage provided to City.

The insurance required by this Agreement shall be satisfactory only if issued by companies qualified to do business in California, rated “A” or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better, unless such requirements are waived by the City’s Risk Manager or other designee of the City due to unique circumstances.

5.3 Indemnification. To the full extent permitted by law, Consultant agrees to indemnify, defend and hold harmless the City, its officers, employees and agents (“Indemnified Parties”) against, and will hold and save them and each of them harmless from, any and all actions, either judicial, administrative, arbitration or regulatory claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities whether actual or threatened (herein “claims or liabilities”) that may be asserted or claimed by any person, firm or entity arising out of or in connection with the negligent performance of the work, operations or activities provided herein of Consultant, its officers, employees, agents, subcontractors, invitees, or any individual or entity for which Consultant is legally liable (“indemnitors”), or arising from Consultant’s or indemnitors’ reckless or willful misconduct, or arising from Consultant’s or indemnitors’ negligent performance of or failure to perform any term, provision, covenant or condition of this Agreement, except claims or liabilities occurring as a result of City’s sole negligence or willful acts or omissions. The indemnity obligation shall be binding on successors and assigns of Consultant and shall survive termination of this Agreement.

6. RECORDS, REPORTS, AND RELEASE OF INFORMATION

6.1 Records. Consultant shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder (the “books and records”), as shall be necessary to perform the services required by this Agreement and enable the Contract Officer to evaluate the performance of such services and shall keep such records for a period of three years following completion of the services hereunder. The Contract
Officer shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts from such records.

6.2 Reports. Consultant shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the services required by this Agreement or as the Contract Officer shall require.

6.3 Confidentiality and Release of Information.

(a) All information gained or work product produced by Consultant in performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Consultant. Consultant shall not release or disclose any such information or work product to persons or entities other than the City without prior written authorization from the Contract Officer.

(b) Consultant shall not, without prior written authorization from the Contract Officer or unless requested by the City Attorney, voluntarily provide documents, declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered "voluntary" provided Consultant gives the City notice of such court order or subpoena.

(c) If Consultant provides any information or work product in violation of this Agreement, then the City shall have the right to reimbursement and indemnity from Consultant for any damages, costs and fees, including attorney’s fees, caused by or incurred as a result of Consultant’s conduct.

(d) Consultant shall promptly notify the City should Consultant be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the work performed thereunder. The City retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with the City and to provide the City with the opportunity to review any response to discovery requests provided by Consultant.

6.4 Ownership of Documents. All studies, surveys, data, notes, computer files, reports, records, drawings, specifications, maps, designs, photographs, documents and other materials (the "documents and materials") prepared by Consultant in the performance of this Agreement shall be the property of the City and shall be delivered to the City upon request of the Contract Officer or upon the termination of this Agreement, and Consultant shall have no claim for further employment or additional compensation as a result of the exercise by the City of its full rights of ownership use, reuse, or assignment of the documents and materials hereunder. Moreover, Consultant with respect to any documents and materials that may qualify as “works made for hire” as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed “works made for hire” for the City.
7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law. This Agreement shall be interpreted, construed and governed both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Los Angeles, State of California. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Los Angeles, State of California.

7.2 Disputes; Default. In the event that Consultant is in default under the terms of this Agreement, the City shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of default. Instead, the City may give notice to Consultant of the default and the reasons for the default. The notice shall include the timeframe in which Consultant may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, if circumstances warrant. During the period of time that Consultant is in default, the City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. If Consultant does not cure the default, the City may take necessary steps to terminate this Agreement under this Article.

7.3 Legal Action. In addition to any other rights or remedies, either party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Notwithstanding any contrary provision herein, Consultant shall file a statutory claim pursuant to Government Code Sections 905 et. seq. and 910 et. seq., in order to pursue any legal action under this Agreement.

Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

7.4 Termination Prior to Expiration of Term. This Section shall govern any termination of this Contract except as specifically provided in the following Section for termination for cause. The City reserves the right to terminate this Contract at any time, with or without cause, upon thirty (30) days’ written notice to Consultant, except that where termination is due to the fault of the Consultant, the period of notice may be such shorter time as may be determined by the Contract Officer. In addition, the Consultant reserves the right to terminate this Contract at any time, with or without cause, upon sixty (60) days’ written notice to City, except that where termination is due to the fault of the City, the period of notice may be such shorter time as the Consultant may determine. Upon receipt of any notice of termination, Consultant shall immediately cease all services hereunder except such as may be specifically approved by the Contract Officer. Except where the Consultant has initiated termination, the Consultant shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation or such as may be approved by the Contract Officer. In the event the Consultant has initiated termination, the Consultant shall be entitled to compensation only for
the reasonable value of the work product actually produced hereunder, but not exceeding the compensation provided therefore in the Schedule of Compensation Exhibit “C”. In the event of termination without cause pursuant to this Section, the terminating party need not provide the non-terminating party with the opportunity to cure pursuant to Section 7.2.

7.5 Termination for Default of Consultant. If termination is due to the failure of the Consultant to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.2, take over the work and prosecute the same to completion by contract or otherwise, and the Consultant shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that the City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to the Consultant for the purpose of set-off or partial payment of the amounts owed the City as previously stated.

8. MISCELLANEOUS

8.1 Covenant Against Discrimination. Consultant covenants that, by and for itself, its heirs, executors, assigns and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry, or other protected class in the performance of this Agreement. Consultant shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry, or other protected class.

8.2 Non-liability of City Officers and Employees. No officer or employee of the City shall be personally liable to the Consultant, or any successor in interest, in the event of any default or breach by the City or for any amount, which may become due to the Consultant or to its successor, or for breach of any obligation of the terms of this Agreement.

8.3 Notice. Any notice, demand, request, document, consent, approval, or communication either party desires or is required to give to the other party or any other person shall be in writing and either served personally or sent by prepaid, first-class mail, in the case of the City, to the City Manager and to the attention of the Contract Officer (with her/his name and City title), City of Irwindale, 5050 N Irwindale Ave, Irwindale, CA 91706 and in the case of the Consultant, to the person(s) at the address designated on the execution page of this Agreement. Either party may change its address by notifying the other party of the change of address in writing. Notice shall be deemed communicated at the time personally delivered or in seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

8.4 Integration; Amendment. It is understood that there are no oral agreements between the parties hereto affecting this Agreement and this Agreement supersedes and cancels any and all previous negotiations, arrangements, agreements and understandings, if any, between the parties, and none shall be used to interpret this Agreement. This Agreement may be amended at any time by the mutual consent of the parties by an instrument in writing.

8.5 Severability. In the event that part of this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining portions of this Agreement.
which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

8.6 Waiver. No delay or omission in the exercise of any right or remedy by non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. A party’s consent to or approval of any act by the other party requiring the party’s consent or approval shall not be deemed to waive or render unnecessary the other party’s consent to or approval of any subsequent act. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

8.7 Attorneys’ Fees. Issue: Appropriation of Supplemental Law Enforcement Services Funds for the Citizen Option for Public Safety Program (COPS) AB3229

Background and Analysis:

The State of California Citizen Option for Public Safety (COPS) Program was enacted pursuant to AB 3229. The COPS Program provides a supplemental funding source for local governments for the purpose of ensuring public safety. There is no guarantee that this will be a continued funding source for the long term. For FY 2021-22, the City of Irwindale Police Department received $161,284.85 which is required to be used for “front-line municipal police services.” These funds must supplement existing services, and cannot be used to supplant any existing funding for law enforcement services. COPS funding for the prior fiscal year FY 2020-21 has earned interest in the amount of $552.11 from the City’s pooled investment accounts, which also has to be allocated for “front-line municipal police services.”

California Government Code Sections 30061 through 30065 establishes guidelines for the receipt and expenditure of COPS funding. This Code requires the City Council to certify approval of the COPS expenditure plan separate from the normal City budget process.

The following is the proposed COPS expenditure plan for FY2021-22, with some of these items presented as part of the police department’s Capital Improvement Plan:

- The purchase of police service vehicles and outfitting the vehicles with emergency lighting equipment, radios, computers, and public safety supplies.
- The purchase of police dispatch radio consoles and computer system maintenance costs.

The COPS funding received from the state, plus the interest allocated at year-end total $161,836.96. Appropriation of these funds will allow the police department to expend these monies in FY 2021-22 and carry over any unexpended funds to FY 2022-23.

Fiscal Impact:

Appropriating the COPS funding received in FY 2021-2022 will allow the Police Department to use these funds for supplemental technological and other equipment for its patrol operations. These expenditures would otherwise need to be funded by the General Fund, thereby resulting in a savings of General Fund monies.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF IRWINDALE RECORDING REVENUES AND AN APPROPRIATION IN THE AMOUNT OF $161,836.96 FOR FISCAL YEAR 2021-22 OF SUPPLEMENTAL LAW ENFORCEMENT SERVICES FUNDS FOR THE CITIZEN’S OPTION FOR PUBLIC SAFETY PROGRAM (COPS)

WHEREAS, the Irwindale Police Department wishes to enhance the quality of service to the community by using funds from the Citizens Option for Public Safety (COPS) Program to supplement the Police Department budget; and

WHEREAS, the City of Irwindale has received $161,284.85 from the State of California COPS Program, which is funded for the 2021-22 fiscal year, and COPS funding has earned interest amounting to $552.11; and

WHEREAS, the COPS funds must be utilized by the Police Department for “front-line municipal law enforcement services” and cannot be used to supplant funding for other law enforcement services or programs; and

WHEREAS, the Police Department proposes to utilize these funds for the purchase of police service vehicles and outfitting those vehicles with emergency lighting equipment, radios, computers and public safety supplies; and

WHEREAS, in total, COPS funding received from the state in conjunction with property tax allocations throughout the year, as well as the interest allocated at year-end, amounts to $161,836.96. Any remaining funds after any capital expenditures for the proposed police service equipment and supplies will be invested in accordance with COPS requirements.

NOW, THEREFORE, the City Council of the City of Irwindale, California, resolves, determines and orders as follows:

SECTION 1. The State of California COPS Program funds and earned interest from such funds shall be recorded as revenue and be appropriated to expenditure account(s):

- 36-35-371-44400-0000 (Vehicles and Equipment) in the amount of $28,100.00
- 36-35-371-44300-0000 (Computer Systems) in the amount of $133,736.96

SECTION 2. COPS proceeds will be utilized for police service vehicles and outfitting the vehicles with emergency lighting equipment, radios, computers and public safety supplies.
SECTION 3. Any remaining COPS funds after any capital expenditures for the proposed police service equipment and supplies described in Section 2 herein will be invested in accordance with COPS requirements.

Background and Analysis:

The Department of Justice (DOJ) Equitable Sharing Program (Asset Forfeiture) was federally enacted in 1984. The primary purpose of this program is to assist law enforcement in the deterrence of crime by depriving criminals of the profits and proceeds of their criminal activities and to weaken criminal enterprises by removing the instrumentalities of crime. An ancillary purpose of this program is to enhance cooperation among federal, state and local law enforcement agencies through the equitable sharing of federal forfeiture proceeds.

The Irwindale Police Department in cooperation with federal, state, and local agencies, has participated in several investigations over the past four years that have resulted in the seizure of personal property to include automobiles and U.S. currency. Through the Equitable Sharing Program, the police department applied for and received a portion of funds from each related investigation from both federal and state equitable sharing programs. Allocations of funds through these programs are determined by the percentage of time and effort that a participating agency puts toward the case investigation that resulted in seized property.

Federal and state laws dictate permissible and non-permissible purchases that can be made with the received asset forfeiture funds under the asset forfeiture program. Permissible items for purchase with the received funds include law enforcement training in any area that is necessary to perform official law enforcement duties, equipment and operations for investigations and official law enforcement duties, telecommunications equipment, and law enforcement facilities and related items to include government furniture.

Asset forfeiture funds cannot be used for regular salaries of existing police officers, but may be used for the salary of police officers assigned to a specific task force for a specified period of time or under certain other conditions. The permissible appropriation of funds will include:

- Salary and overtime costs associated with asset forfeiture investigations
- Law enforcement training
- Hardware, software, wireless connectivity and other required equipment related to the department's reporting and telecommunications infrastructure
- Radio Communication Systems / In-car camera system / MDC-Mobile Data
- Video surveillance equipment
- Equipment and operations related to investigations
- Executive Conferences - In State/Out of State
Fiscal Impact:

Federal Asset Forfeiture funds are received, appropriated, and spent out of Funds 16. These funds are separate from the General Fund.

The police department has received $94,142.23 for fiscal year 2021-2022 – for federal asset forfeiture which is held in the Federal Treasury Funds (Fund 16).

If approved, the attached resolution allows for an appropriation of $94,142.23 in federal asset forfeiture revenue to be distributed for expenditure accounts as follows:

- $92,582.77 to Operating Supplies 16-35-370-42200-0000
- $1,559.46 to Program Supplies 16-35-370-42240-0000

Background and Analysis

In accordance with Section 901 of the Irwindale Charter, which requires that a proposed budget be submitted to the City Council at least 35 days prior to the beginning of each fiscal year, the City Council and Boards for the Housing Authority and Reclamation Authority (collectively referred to herein as “Boards”) have been provided with the Proposed Budget for Fiscal Year (FY) 2022-2023. In addition, Section 901 requires the City Council to select a date and time for a public hearing on the proposed budget. Staff recommended the public hearing be set for its first reading on June 8, 2022, and second reading on June 22, 2022 at 6:30 p.m. or as soon thereafter as the matter may be heard.

Prior to the abovementioned Public Hearings, the City Manager/Executive Director and Finance Director held two budget workshops providing the City Council and Boards, as well as the Community with a presentation on the proposed requests, programs and activities. TOTAL REQUESTS APPROVED - @ May 24, 2022 MEETING $ 78,850
Of the $50,700 allocated to the Recreation Department, $9,600 is deducted (see below) for the previously budgeted contract Fitness Trainer. This program was part of the $24,000 appropriation approved by the City Council on May 26, 2022 (Attachment “A”), however the program was not identified as an expense request when the matter was presented to the Irwindale Community Foundation. At the Budget Workshop #2, held on May 26, 2022, the City Council approved fitness training for five City employees, eliminating the fitness trainer request. Staff will inform the Irwindale Community Foundation Board of this change at its next regularly scheduled meeting.

**Additional Changes**

**Fiscal Impact:**

Ordinance No. 761 adopting the FY 2022-2023 Budget includes Exhibit A which lists the proposed revenue and expenditure budgets for all funds of the City, Housing Authority and Reclamation Authority.

The table below recaps the General Fund FY 2022-2023 Budget Summary:
The FY 2022-2023 General Fund Operating Budget reflects an operating surplus of $413,960. However, the substantial One-Time and Capital Project budgets will cause an overall deficit of $489 thousand.

The General Fund Reserve balance is currently projected to be $26 million at the end of FY 2021-2022. Adoption of the proposed FY 2022-2023 Budget will reduce the fund balance by the $209 thousand deficit, resulting in a projected General Fund Reserve balance of $25.8 million as of June 30, 2023.

Resolution No. 2022-51-3301 will establish the City’s Appropriations limit for FY 2022-2023 in the amount of $13,110,944,054.

RESOLUTION NO. 2022-51-3301

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF IRWINDALE
ESTABLISHING THE APPROPRIATIONS LIMIT
FOR FISCAL YEAR 2022-2023

WHEREAS, Article XIII B of the California Constitution requires that each entity of government establish an appropriations limit each year; and

WHEREAS, Article XIII B, as amended by Proposition 111, allows cities to annually increase the appropriations limit by two factors: (1) either the city population change or the population growth of the entire county and (2) either the change in California per capita income or the change in the local assessment roll due to non-residential construction; and

WHEREAS, Article XIII B, as amended, further provides that the current year’s appropriations limit for each city shall be the 1986-87 appropriations limit adjusted from that year forward by growth factors as provided by Proposition 111; and

WHEREAS, a city must select by a vote of the City Council the cost-of-living factors to compute its appropriations limit. The city may select either the percentage change in California per capita income or the percentage change in local assessment roll due to non-residential new construction, and either the city’s own population growth or that of the county as the adjustment options;

NOW THEREFORE, be it resolved by the City Council of the City of Irwindale, California, as follows:

SECTION 1. That the percentage change in the Per Capita Personal Income Factor, and the population growth in the city are selected as the adjustment factors to compute the appropriations limit, as presented in Exhibit A.

SECTION 2. That the appropriations limit for Fiscal Year 2022-23 is determined to be $13,110,944,054.

PASSED, APPROVED AND ADOPTED this 8th day of June 2022.

To: Honorable Chair and Members of the Housing Authority

From: Julian Miranda, Executive Director

Issue: Consideration of Approval of Amendment No. 1 to Affordable Housing Agreement, Option to Purchase and Declaration of Covenants Running with Land for 4612 Fraijo Avenue to Implement Equity Sharing Policy

City Manager’s Recommendation:

1) Approve Amendment No. 1 to Affordable Housing Agreement, Option to Purchase and Declaration of Covenants Running with Land between Irwindale Housing Authority and Rudy Gallardo; and

2) Authorize the Executive Director to execute Amendment No. 1 subject to Authority Counsel approval as to form.

Prepared and Submitted by:

Robert J. Lee, Assistant Authority Counsel

Reviewed by:

Adrian Guerra, Authority Counsel

Kambiz Borhani, Finance Director / City Treasurer

Approved by:

Julian Miranda, Executive Director
Background and Analysis:

Historically, the equity sharing practices of the Irwindale Housing Authority ("Authority") provided for the Authority to retain a significant majority of the excess sale proceeds until year 40 of the 45-year affordable housing period. Accordingly, it was very difficult for affordable homeowners in the City of Irwindale to build meaningful equity in their affordable homes towards improving their financial status which is one of the paramount objectives of the Authority's affordable housing programs.

As part of the Substantial Rehabilitation Program, Rudy Gallardo ("Owner") and the former Irwindale Community Redevelopment Agency ("ICRA") entered into that certain Affordable Housing Agreement, Option to Purchase and Declaration of Covenants Running with Land dated August 11, 2005 and recorded on April 23, 2007 as document no. 20070971173 ("Agreement"), whereby ICRA provided Owner a loan for the substantial rehabilitation of Owner's property located at 4812 Fraijo Avenue in exchange for Owner's promise to maintain the property as an affordable housing unit for a period of 45 years.

Specifically, Equity Sharing permits retention by owner/seller of a portion of excess sale proceeds based on the length of occupancy, after the agency loan is repaid. The amount of the excess sale proceeds is the difference between the sale price that is in excess of the affordable housing price of what is allowable under the affordable housing agreement and the original purchase price of the home paid by the affordable homeowner. The Agreement's equity sharing provisions are triggered when there's been a "Prohibited Transfer" as defined in the Agreement; put another way, equity sharing is invoked when there's a sale of the home where the sale does not qualify as a "Permitted Transfer" under the Agreement. Permitted Transfers include but are not limited to the following:

(i) transfer by gift, devise, or inheritance to the Owner's spouse; (ii) transfer by devise or inheritance to the Owner's children; (iii) transfer of title by an Owner's death to a surviving joint tenant, tenant by entireties, or a surviving spouse of community property; and (iv) transfer of title to a spouse as part of divorce or dissolution proceedings or in conjunction with marriage.

On July 14, 2021, the Authority Board approved and adopted an equity sharing policy ("Policy") for the Authority's Substantial Rehabilitation and First Time Homebuyer affordable housing programs so that the percentage of the equity sharing appreciation amount retained by homeowners is now much larger than the amount allowed previously for those homeowners who elect to take advantage of the increased Policy benefits. The application of the Policy with regards to any homeowner who is part of the Authority's affordable housing programs requires a formal amendment to any affordable housing agreement's existing equity sharing provisions; the calculations for the new equity sharing differ under the Policy depending on whether the homeowner is under the First Time Homebuyer Program or Substantial Rehabilitation Program.

Now, Owner and the Authority (as successor to ICRA) desire to formally amend the
Agreement to incorporate the increased equity sharing benefits available to Owner under the Policy. However, it should be underscored that amending the Agreement in and of itself does not vest Owner with any equity sharing benefit conferred under the Policy other than to allow Owner to place himself in position to possibly retain a greater share of equity sharing appreciation in the event a “Prohibited Sale” should occur in the future. This Amendment No. 1 modifies the Agreement and is only a first step towards Owner availing himself of the increased benefits under the new Policy. The 45-year affordability covenant remains in place and there is no financial equity distribution at this time because there is no sale of the home.

Fiscal Impact:

Currently none, but if Owner sells the home and the equity sharing provisions are triggered, Authority will retain a smaller percentage of the equity sharing appreciation.

AMENDMENT NO. 1
TO
AFFORDABLE HOUSING AGREEMENT, OPTION TO PURCHASE AND DECLARATION OF COVENANTS RUNNING WITH LAND
(Substantial Rehabilitation Housing Improvement Loan)

THIS AMENDMENT NO. 1 TO THE AFFORDABLE HOUSING AGREEMENT, OPTION TO PURCHASE AND DECLARATION OF COVENANTS RUNNING WITH LAND ("Amendment No. 1") by and between the IRWINDALE HOUSING AUTHORITY as housing successor to the former Irwindale Community Redevelopment Agency ("Authority") and RUDY GALLARDO ("Owner"), is entered into and made effective as of the ___ day of _____________, 2022. Authority and Owner are sometimes referred to collectively as "Parties."

RE bâtALS

A. Owner and the former Irwindale Community Redevelopment Agency ("ICRA") entered into that certain AFFORDABLE HOUSING AGREEMENT, OPTION TO PURCHASE AND DECLARATION OF COVENANTS RUNNING WITH LAND dated August 11, 2005 and recorded on April 23, 2007 as document no. 20070971173 ("Agreement") whereby the ICRA agreed to provide Owner financial assistance in connection with the residential real property owned by Owner and located at 4612 Fraijo Avenue, Irwindale, California ("Property"). The Property is part of Authority's affordable housing program commonly referred to as the Substantial Rehabilitation Program.

B. On February 1, 2012, pursuant to Assembly Bill 1x26 and Health and Safety Code Section 34170 et seq., the ICRA was effectively dissolved and the City of Irwindale ("City") became the Successor Agency to the ICRA.

C. On January 11, 2012, the City Council of the City of Irwindale adopted Resolution No. 2012-09-2548 and elected not to retain the housing functions and assets of the ICRA, and affirmatively determined and confirmed that the Authority would retain the housing assets and functions of the ICRA.

D. On January 11, 2012, the Board of the Authority adopted Resolution No. 2012-01-034 which accepted the housing assets and functions of the dissolved ICRA. The Authority thereby
is the housing successor agency to the ICRA, vested with all of the rights, powers, duties, assets, liabilities, and obligations of the housing activities of the ICRA.

E. As housing successor to the ICRA, the Authority assumed all of the ICRA’s rights, powers, duties and obligations under the Agreement.

F. The Authority implements an affordable housing program through a Low and Moderate Income Housing Fund to assist persons and families of very low, low, and moderate income, as defined by Section 50093 of the California Health and Safety Code to rehabilitate residential property and to increase, improve and preserve very low, low and moderate-income housing available at affordable housing cost (as defined in Health and Safety Code Section 50052.5) within the territorial jurisdiction of the Authority in accordance with Housing Authorities Law (Health and Safety Code Section 34200, et seq.)

G. Pursuant to Health and Safety Code Section 33334.3 and as part of its affordable housing program, the Authority has established an equity sharing program allowing the sale of owner-occupied units prior to expiration of the 45-year affordability period established through an agreement between the Authority and affordable homeowner for a price in excess of the affordable housing price, so long as the Authority’s investment of moneys from the Low and Moderate Income Housing Fund is protected, including through implementation of a schedule of equity sharing that permits the seller and the Authority to retain a portion of the sale proceeds based on length of occupancy prior to sale.

H. Historically, the equity sharing practices of the Authority provided for the Authority to retain a significant majority of the excess sale proceeds until year 40 of the 45-year affordable housing period. Accordingly, it was very difficult for affordable homeowners in the City to build meaningful equity in their affordable homes towards improving their financial status which is one of the paramount objectives of the Authority’s affordable housing program.

I. On July 14, 2021, the Authority approved and adopted an equity sharing policy (“Policy”) for the Authority’s Substantial Rehabilitation and First Time Homebuyer affordable housing programs so that the percentage of the equity sharing appreciation amount retained by homeowners is now much larger than the amount allowed previously. The implementation of the policy requires a formal amendment to the Agreement.

J. The Parties now desire to formally amend the Agreement to incorporate the increased benefits available to Owner thereunder to be made effective retroactive to the effective date of the Agreement.

TERMS

1. Contract Changes. The Agreement is amended as provided herein (added text shown in bold, italics, underlined, deleted text shown in strikethrough). Amendment No. 1

A. Section 8.2, “Shared Equity Appreciation,” of the Agreement is hereby amended effective as of the effective date of the Agreement, to read in its entirety as follows:

Substantial Rehab Loan
4612 Fraijo Avenue
Shared Equity Appreciation. In the event of a Prohibited Transfer during the Affordability Period, in addition to repayment of the balance of the Note Amount, Agency shall receive a share of the sales proceeds that exceed the value of the Property at the time of the Agency Loan, of the difference between the sale price that is in excess of the Affordable Housing Cost and the purchase price of the Property paid by the Owner, in order to recover funds for other low and moderate-income housing pursuant to the Housing Program and state law. The Agency's share of the increase in equity shall be determined based on the length of time the Property has been occupied by an Eligible Person or Family prior to the Prohibited Transfer, pursuant to the table below. The Agency's share of the equity increase will be lowered in the event the Prohibited Transfer is the result of divorce or death:

- Value of Property at time of loan = $150,000
- Value of Property at time of Prohibited Transfer = $250,000
- Increase in equity = $100,000
More specifically, the Agency Loan will be forgiven by 1/20 on an annual basis for 20 years after which time the entire loan will be forgiven. During that 20-year period, the equity sharing ratio ("ESR") will be 10%, meaning the Agency will retain 10% of the equity sharing appreciation amount ("ESAA") and the homeowner will retain 90% of the ESAA; thereafter, until expiration of the 45-year period, the 10% ESR will decrease by 0.4% per annum. The Parties are to consult the Authority's Equity Sharing Policy for examples of the foregoing.

2. Continuing Effect of Agreement. Except as amended by this Amendment No. 1, all provisions of the Agreement shall remain unchanged and in full force and effect. 4. Recordation. This Amendment No. 1 shall be recorded as soon as practicable following its mutual execution by the Parties.

BACKGROUND:

At a recent meeting of the Housing Authority Board, it was requested that the Equity Sharing Policy be presented to the Board for discussion.

On June 3, 2021, the Authority Board approved a concept for modified equity sharing ratios under the Authority's Substantial Rehabilitation Program ("SRP") and First Time Homebuyer Program ("FTHP"). A formal policy was prepared by Authority Counsel consistent with the Board's action of June 3, 2021, and was approved by the Board on July 14, 2021. The July 14, 2021 Staff Report and Formal Equity Sharing Policy adopted by the Board are attached hereto as Exhibit "A".

This staff report provides a brief summary of the Equity Sharing Policy:

Equity sharing is triggered when an affordable homeowner sells their home before expiration of the full 45 year affordability period to a buyer who is either not qualified as an affordable homeowner or to an affordable homeowner for a price that is higher than allowed under the affordable housing laws. It should be underscored here that there must be a sale of the home in order for equity sharing to be triggered.

The Equity Sharing Policy did not modify when equity sharing is triggered, it only changed the formula of calculating equity sharing between the homeowner and the Authority. The Equity Sharing Policy was amended so that the percentage of the equity sharing appreciation amount ("ESAA") retained by homeowners would be much larger than the amount allowed previously. The ESAA is the difference between the sale price that is in excess of the affordable housing price of what is allowable under the Authority's Regulatory Agreement entered into with each affordable homeowner and the original purchase price of the home paid by the affordable homeowner.

FISCAL IMPACT:

None.

Approve Equity Sharing Policy for Substantial Rehabilitation and First Time Homebuyer programs.

BACKGROUND:

Historically, the equity sharing practices of the Irwindale Housing Authority ("Authority") provided for the Authority to retain a significant majority of the excess sale proceeds until year 40 of the 45-year affordable housing period which, when compared against several other affordable housing programs within the State, was within the highest end of the spectrum. Accordingly, it was very difficult for affordable homeowners in the City of Irwindale to build meaningful equity in their affordable homes towards improving their financial status which is one of the paramount objectives of affordable housing programs, including the Authority's programs, throughout the State.

On June 3, 2021, the Authority Board approved a concept for modified equity sharing ratios under both the Substantial Rehabilitation Program ("SRP") and First Time Homebuyer Program ("FTHP") so that the percentage of the equity sharing appreciation amount ("ESAA") retained by homeowners is now much larger than the amount allowed previously. The ESAA is the difference between the sale price that is in excess of the affordable housing price of what is allowable under the Authority's Regulatory Agreement entered into with each affordable homeowner and the original purchase price of the home paid by the affordable homeowner. The Board also directed Authority Counsel to prepare a formal policy for approval, consistent with the Board's action of June 3, 2021. The attached Equity Sharing Policy has been prepared to implement such action.

The highlights of the Equity Sharing Policy for both the SRP and FTHP are provided below.

**Substantial Rehabilitation Program:**

For the SRP, the Authority loan will be forgiven by 1/20 on an annual basis for 20 years after which time the entire loan will be forgiven. During that 20-year period, the equity sharing ratio ("ESR") will be 10%, meaning the Authority will retain 10% of the ESAA and the homeowner will retain 90% of the ESAA; thereafter, until expiration of the 45-year period, the 10% ESR will decrease by 0.4% per annum.

**First Time Homebuyer Program:**

For the FTHP, the Authority loan will be forgiven by 1/30 on an annual basis for 30 years after which time the entire loan will be forgiven. During that 30-year period, the ESR will be 15%, meaning the Authority will retain 15% of the ESAA and the homeowner will retain 85% of the ESAA; thereafter, until expiration of the 45-year period, the 15% ESR will decrease by 1% per annum.

It should be noted that the Equity Sharing Policy, once adopted, will become effective immediately upon Board approval. However, any homeowner seeking to avail himself or herself of the policy would need to formally amend his/her Regulatory Agreement in accordance with the new policy.

Equity Sharing Policy
EQUITY SHARING POLICY
(SUBSTANTIAL REHABILITATION PROGRAM)
(FIRST TIME HOMEBUYER PROGRAM)
Adopted June 23, 2021

Section 33334.3 of the Health and Safety Code permits equity sharing programs to be established allowing sale of owner-occupied units prior to expiration of the 45-year affordability period established through a Regulatory Agreement entered into between an agency and affordable homeowner for a price in excess of the affordable housing price, so long as the agency's investment of moneys from the Low and Moderate Income Housing Fund is protected, including through implementation of a schedule of equity sharing that permits seller and the agency to retain a portion of sale proceeds based on length of occupancy prior to sale. This means that so long as the agency's loan or any current balance of the loan is paid back (including any interest), the agency's investment of moneys from the Low and Moderate Income Housing Fund is protected. Any excess monies collected from the sale retained by the agency are to be deposited in the Low and Moderate Income Housing Fund.

Historically, the equity sharing practices of the Irwindale Housing Authority ("Authority") provided for the Authority to retain a significant majority of the excess sale proceeds until year 40 of the 45-year affordable housing period which, when compared against several other affordable housing programs within the State, was within the highest end of the spectrum. Accordingly, it was very difficult for affordable homeowners in the City of Irwindale to build meaningful equity in their affordable homes towards improving their financial status which is one of the paramount objectives of affordable housing programs, including the Authority's programs, throughout the State.

The Authority Board has now adopted and established equity sharing ratios under both the Substantial Rehabilitation Program ("SRP") and First Time Homebuyer Program ("FTHP") so that the percentage of the equity sharing appreciation amount ("ESAA") retained by homeowners is now much larger than the amount allowed previously. For purposes of this Equity Sharing Policy, ESAA is the difference between the sale price that is in excess of the affordable housing price of what is allowable under the Regulatory Agreement and the original purchase price of the home paid by the affordable homeowner.

Substantial Rehabilitation Program Equity Sharing Ratio:
For the SRP, the Authority loan will be forgiven by 1/20 on an annual basis for 20 years after which time the entire loan will be forgiven. During that 20-year period, the equity sharing ratio ("ESR") will be 10%, meaning the Authority will retain 10% of the ESAA and the homeowner will retain 90% of the ESAA; thereafter, until expiration of the 45-year period, the 10% ESR will decrease by 0.4% per annum.
First Time Homebuyer Program Equity Sharing Ratio:

For the FTHP, the Authority loan will be forgiven by 1/30 on an annual basis for 30 years after which time the entire loan will be forgiven. During that 30-year period, the ESR will be 15%, meaning the Authority will retain 15% of the ESAA and the homeowner will retain 85% of the ESAA; thereafter, until expiration of the 45-year period, the 15% ESR will decrease by 1% per annum.

Examples of how the foregoing operates follow below. An overarching assumption in the examples is that the loan term for the Authority loan will be 20 years under the SRP and 30 years for the FTHP, the latter being an attempt to align with the typical private 30-year loan obtained by homeowners in a standard purchase of a home.

Assumption for Example 1:

SRP (for sales within first 20 years) and FTHP (for sales within first 30 years):

- $500,000 (sale price) – $400,000 (original purchase price) = $100,000 (ESAA).

Assumption for Example 2:

SRP (for sales after first 20 years) and FTHP (for sales after first 30 years):

- $600,000 (sale price) – $400,000 (original purchase price) = $200,000 (ESAA).

Substantial Rehabilitation Program Examples:

Loan Details:

- Loan period to be 20 years.
- Principal on the loan to be reduced by 5% (1/20) per annum during the 20-year period.
- The entire loan is forgiven after 20 years.

Equity Sharing Details:

- For the first 20 years of the loan, the ESR to be retained by the Authority is 10% of the ESAA.
- For years 21 through 45, the ESR will decrease by 0.4% per annum starting in year 21 until year 45 is reached.

Example 1:

- Assume ESAA of $100,000 and sale during year 5 of 45-year term. Under this assumption:
  o The homeowner would need to repay the remaining balance of the Authority loan; and
After applying a 10% ESR to the $100,000 ESAA, the amount of sale proceeds retained by the Authority will be $10,000 and the homeowner retains the remaining $90,000.

Example 2:
- Assume ESAA of $200,000 and sale just after year 25 of 45-year term. Under this assumption:
  - The Authority loan has been forgiven after 20 years. Therefore, the homeowner is not required to repay any portion of the loan.
  - After applying a 8% ESR (10% is reduced by 0.4% per year for 5 years resulting in an ESR of 8%) to the $200,000 ESAA, the amount of sale proceeds retained by the Authority is $16,000 and the homeowner retains the remaining $184,000.

First Time Homebuyer Program Examples:

Loan Details:
- Loan period to be 30 years.
- Principal on the loan to be reduced by 1/30 per annum during the 30-year period.
- The entire loan is forgiven after 30 years.

Equity Sharing Details:
- For the first 30 years of the loan, the ESR to be retained by the Authority is 15% of the ESAA.
- For years 31 through 45, the ESR will decrease by 1% per annum starting in year 31 until year 45 is reached.

Example 1:
- Assume ESAA of $100,000 and sale during year 5 of 45-year term. Under this assumption:
  - The homeowner would need to repay the remaining balance of the Authority loan; and
  - After applying a 15% ESR to the $100,000 ESAA, the amount of sale proceeds retained by the Authority will be $15,000 and the homeowner retains the remaining $85,000.

Example 2:
- Assume ESAA of $200,000 and sale just after year 35 of 45-year term. Under this assumption:
  - The Authority loan has been forgiven after 30 years. Therefore, the homeowner is not required to repay any portion of the loan.
After applying a 10% ESR (15% is reduced by 1% per year for 5 years resulting in an ESR of 10%) to the $200,000 ESAA, the amount of sale proceeds retained by the Authority is $20,000 and the homeowner retains the remaining $180,000.

Background and Analysis:

California Government Code Section 53646 requires that the City Treasurer submit a quarterly report of investments (Investment Report) to the City Council/Board Members for review and compliance with the City’s adopted investment policy (City’s Investment Policy).

The City’s Investment Policy applies to all funds held by the City, Housing Authority, Successor Agency, and Reclamation Authority. The Reclamation Authority’s funds are included in the City’s cash and investment balances. The Investment Report for the quarter ending March 31, 2022 was presented to the City Council, Housing Authority, and Successor Agency Board on April 27, 2022. The Reclamation Authority was not scheduled to meet on that date, and therefore it is appropriate to present the same Quarterly Investment Report to the Reclamation Authority during their next regularly scheduled meeting.

The attached Investment Report summarizes the cash balances and investments as of March 31, 2022 for each agency. The City of Irwindale’s balances include investments of all funds of the City and its agencies, which are pooled to maximize the interest yield. The cash balances in the general account with Bank of the West also include all funds of the City and its agencies, which also earn interest on the pooled cash balances. All investments comply with the City’s Investment Policy.
