SPONTANEOUS COMMUNICATIONS There were no speakers.

CONSENT CALENDAR

ITEM NO. 1A MINUTES The following minutes were approved as presented:

1) Regular meeting held May 4, 2022.

END OF CONSENT CALENDAR

NEW BUSINESS

ITEM NO. 2A SUMMER PATROL UPDATE – VERBAL UPDATE

CAPTAIN FRAIJO Captain Fraijo noted staff’s intent to have a Community Services Officer patrol the park at all hours of the day throughout the summer. However, since the position was not filled, staff now plans to identify the time slots that require the most attention, such as during the Movies in the Park, Music in the Park, and Late Night Swim programs, and two officers will patrol the parks.
COMMISSIONER SAPIEN AND CHAIR FRAIJO

Responding to several questions by Commissioner Sapien and Chair Fraijo, Captain Fraijo advised that: 1) The Chief of Police does not wish to enact a city graffiti reward program since the CrimeStoppers program is more beneficial due to its anonymous reporting system, 2) individuals can always report crimes by calling 911 or the Police Department’s general phone number, 3) the CrimeStoppers program offers more generous restitution beyond what the city would have offered, 4) the CrimeStoppers program operates at no cost to the City, and 5) the city has not budgeted anything toward a graffiti rewards program.

VICE CHAIR ZEPEDA

Replying to a question by Vice Chair Zepeda, Captain Fraijo indicated that park restrooms would be locked at 10 p.m. in the summer at the request of Director Rodriguez. He added that the parks could also be patrolled during the weekends due to the increased amount of attendees.

CHAIR FRAIJO

Chair Fraijo lamented that the Community Services Officer position went unfunded. She noted that the safety of the community is a top priority and stated that the commission would prefer a city-run graffiti reward program in light of the increased incidences of vandalism.

CAPTAIN FRAIJO

Captain Fraijo advised that the CrimeStoppers program simply requires an arrest in order for the person that reports the incident to collect a reward, while the city program would have required that the vandal be convicted before the person reporting could collect a reward.

CHAIR FRAIJO

Chair Fraijo reiterated the need to ensure a safe community and suggested potentially discussing this matter at the City Council level in an attempt to provide the required resources and funding to enact it. She also suggested submitting flyers to the community to inform them about the CrimeStoppers program, to which Captain Fraijo advised that staff would work to send the flyers out to the residents.

Chair Fraijo requested that the Police Department present information to the Commission at the end of summer to discuss the types of incidents that occurred at the parks.

COMMISSIONER ROMAN

Commissioner Roman expressed her disappointment in that there would not be additional police presence at the park during the summer. She also suggested placing signs at the parks to inform the public about the availability of the CrimeStoppers program.

ITEM NO. 2B

IRWINDALE COMMUNITY FOUNDATION DONATIONS
DONATIONS
MANAGER ZEPEDA
Manager Zepeda presented the staff report.

COMMISSIONER SAPIEN
Replying to a question by Commissioner Sapien, Director Rodriguez indicated that the Council previously requested to determine the costs of training staff to become certified trainers. Staff found that it costs $2,675 to train five staff members, with an additional bi-yearly cost of $116 to recertify each staffer.

Commissioner Sapien also asked about costs of classes, to which Manager Zepeda noted that hiring a contract certified personal trainer would cost substantially more compared to typical fitness classes.

CHAIR FRAIJO
Chair Fraijo asked whether any staff members would be willing to take the training to become certified, to which Manager Zepeda stated that the opportunity would be presented to part-time staff once the Council formally approves the potential expenses. If multiple part-time staffers are interested in training, a lottery may be conducted to determine who would attend. Senior Recreation Leaders have already been informed and they are willing to undergo the training.

COMMISSIONER ROMAN
Replying to a question by Commissioner Roman, Manager Zepeda stated that the challenge in certifying part-time staff members is that they may be trained and certified, after which they could leave their employment with the city, which would then require the need to train and certify another staff member.
