NEW BUSINESS

ITEM NO. 2A  
CONSIDERATION OF RESOLUTION AMENDING THE CLASSIFICATION PLAN  

CITY MANAGER TAM  
City Manager Tam presented brief background information on this item.

CARMEN ROMAN  
Carmen Roman complained that the issue of reclassifying the four positions identified in the staff report has been addressed by the Council on several occasions, and suggested that the matter be discussed during the mid-year budget review. She then suggested that each employee’s performance be reviewed before reclassifying them.

DENA ZEPEDA  
Dena Zepeda complained that this matter has been heard on several occasions by the Council, complained about staff pay, and made allegations of theft against staff.

CARMEN ROMAN  
Carmen Roman complained that a housing applicant has received calls from several staffers instead of just one. She also requested that each Councilmember call her to justify the proposed staffing reclassifications.

SUZANNE GOMEZ  
Suzanne Gomez suggested that the reclassifications wait until the mid-year budget review.

FRED BARBOSA  
Fred Barbosa questioned why his home has a 45-year covenant placed on it.
Mayor Pro Tem Ambriz made a motion to discuss each reclassification individually. The motion died due to a lack of a second.

Responding to several questions by Councilmember Ortiz, Manager Hull advised that the amount of $305k listed in the staff report for the Police Captain position is the fully burdened amount, which includes salary and benefits. She noted that the base salary for the position is $145k.

Councilmember Ortiz suggested that the reclassifications be postponed until after the mid-year budget review.

As requested by Mayor Burrola, Manager Hull discussed the fully burdened yearly amounts for the four proposed reclassifications. Mayor Burrola agreed that the reclassifications should wait until after the mid-year budget review.

A motion was made by Councilmember Ortiz, seconded by Mayor Burrola, to postpone this matter until after the mid-year budget review.

Mayor Pro Tem Ambriz suggested the possibility of approving two Police Lieutenant positions instead of one Police Captain position.

The above-mentioned motion was unanimously approved.

Manager Hull presented the staff report and clarified that the resolution would include the City Manager’s salary as specified in the City Manager’s contract, and that it would not include the funding for the reclassifications that were just postponed to the mid-year budget review.

In reply to a question by Councilmember Breceda, Manager Hull indicated that the salary for the new City Manager will be included in this resolution, which is a necessary step when updating CalPERS, since CalPERS would only recognize the salary resolution, and not the City Manager contract salary amount.

Councilmember Ortiz noted that the draft resolution includes the four reclassified positions that were just postponed, to which Manager Hull advised that the resolution would be revised to remove them.

As requested by Mayor Burrola, Manager Hull explained the “Y” rating detailed in the draft resolution included with the staff report.
SUZANNE GOMEZ asked a clarifying question regarding the report.

CITY ATTORNEY GUERRA recommended a clarification of the exhibit of the resolution.

RESOLUTION NO. 2022-14-3264, entitled:

“A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF IRWINDALE ESTABLISHING THE NUMBER OF POSITIONS, SCHEDULE OF CLASSES, AND COMPENSATION FOR CITY EMPLOYEES,” was passed, approved, and adopted, with the clarifications noted above, on the motion of Councilmember Ortiz, seconded by Mayor Pro Tem Ambriz, and approved with Councilmember Ortiz, Mayor Pro Tem Ambriz, and Mayor Burrola in favor; Councilmembers Breceda and Garcia opposed.
