Note that any violation of the provisions of Chapter 8.20 of the Irwindale Municipal Code will be subject to an administrative penalty, enforcement, and collection proceedings, as set forth in the chapter and authorized by Chapter 1.16 of the Irwindale Municipal Code. The Director of Public Works may withhold approval of any and all RRP's submitted by the responsible person on any project(s) until the applicable administrative penalty has been paid. In addition, the amount of any unpaid administrative penalty may be declared a lien on any real property on which the project took place, as provided in Chapter 1.16 of the Municipal Code.

The undersigned fully acknowledges the requirements of Chapter 8.20 – Solid waste collection and salvage of recyclable materials.

In compliance with Irwindale Municipal Code, submittal of the following reports may be required:

Form 2 – Amendment: Required if any changes are proposed to the Recycling and Reuse Plan.

Form 3 – Final Compliance Report: Required no later than 45 days after project completion.

OWNER RESPONSIBILITY

Please read and initial each statement if you are (1) **the registered property owner** or (2) **the officer** of the corporation, partnership, limited partnership, or limited liability partnership.

_____ I understand this is a legally binding contract that I and my project manager(s), general contractor(s), contractor(s), and waste hauler(s) agree to fulfill. The use of facilities not listed on Table 1 shall require prior approval.

_____ I understand that the recycling facilities listed on Table(s) 1 are the **only** facilities to be used by my project manager(s), general contractor(s), contractor(s), and waste hauler(s).

_____ I agree to notify any and all persons involved in the project of the need to use **only** the facilities listed on Table(s) 1 by placing a copy of the Recycling Reuse Plan in their contract.

_____ I understand that my **failure** to notify any and all persons of the proper recycling facilities may lead to a failure to comply with the Recycling and Reuse Plan.

_____ I understand that the **failure** of any and all persons to fulfill the minimum recycling requirements may result in me being responsible for any monetary penalties.

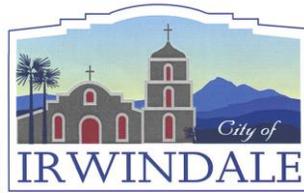

_____ I understand that I am **responsible** for obtaining copies of any and all weight tickets from any facility which receives debris from this project. This includes facilities which are listed in this Plan, and those facilities which are not listed in this Plan. The use of facilities which are not listed on the Recycling and Reuse Plan may result in a monetary violation.

_____ I understand that once the project is complete, a Final Compliance Report **must** be filed. If I fail to file a Final Compliance Report or meet the minimum recycling requirements for the project by the required date, for any reason, the Department of Public Works **will assess** a monetary violation based on the percentage of tons that was not recycled or reused.
