Excavation is the physical removal of rock materials from the earth for use in commercial purposes, whether or not the rock materials are thereafter processed.

CERTIFICATION:

I hereby certify under penalty of perjury under laws of the State of California that the information set forth in this report to the City of Irwindale is based upon the books and records of the Company, and that to the best of my knowledge and belief the same is true and accurate. The City of Irwindale has the right to audit the information supporting this report.

I understand that the General Mining Excavation Tax is due and payable quarterly in advance on the first day of January, April, July, and October of each calendar year. Furthermore, I understand that should the General Mining Excavation Tax not be received by the city of Irwindale by the last working day of the month in which it is due, a penalty of ten percent of amount of the General Mining Excavation Tax shall be added and an additional five percent shall be added each thirty days thereafter until the General Mining Excavation Tax and penalties are paid.
