

Temporary Outdoor Dining Permit

The City of Irwindale has enacted a no fee permit to allow temporary outdoor dining areas within existing onsite parking lots in order to support local restaurants and address Los Angeles County Department of Public Health outdoor dining protocols. A current business license is required.

Temporary Outdoor Dining

Please include the following in your submittal.

- ✓ Completed application signed by applicant and property owner. A current business license is required.
- ✓ Detailed Site Plan (may be hand drawn) showing,
 - Business storefront and adjacent storefronts including any walkways.
 - Delineate and dimension the approximate parking lot area proposed for the permit.
 - Show and label all proposed furniture and accessories.
 - Provide north arrow, scale, business address, and business name.

NOTE: Temporary outdoor dining must follow the requirements of the LA County Department of Public Health protocols established for physical distancing and health requirements.
