

ATTENTION PICKLEBALLERS

Irwindale Recreation

The Healthy Irwindale campaign is about encouraging a healthy lifestyle for all ages, so it is with great pleasure that we open our gym doors to those ages 16 and over beginning Monday, **March 6th**, to enjoy drop-in Pickleball. As a reminder all patrons must have a membership or pay the \$3.00 walk in fee to utilize the pickleball courts.

Players are encouraged to bring their own Pickleball Paddles but there will be paddles available for rent if the participant does not have their own.
