 - Develop area requirements, collections, reader seats, Community Room size, Program spaces...
 - Schematic Layouts
 - Kick Off Design for 12-14,000 sq.ft. Library
 - Community Workshop 2
 - Present Schematic Site Options and selection
 - Present Schematic Plan
 - Present Elevation options/Concepts to Build Upon

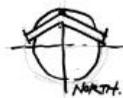

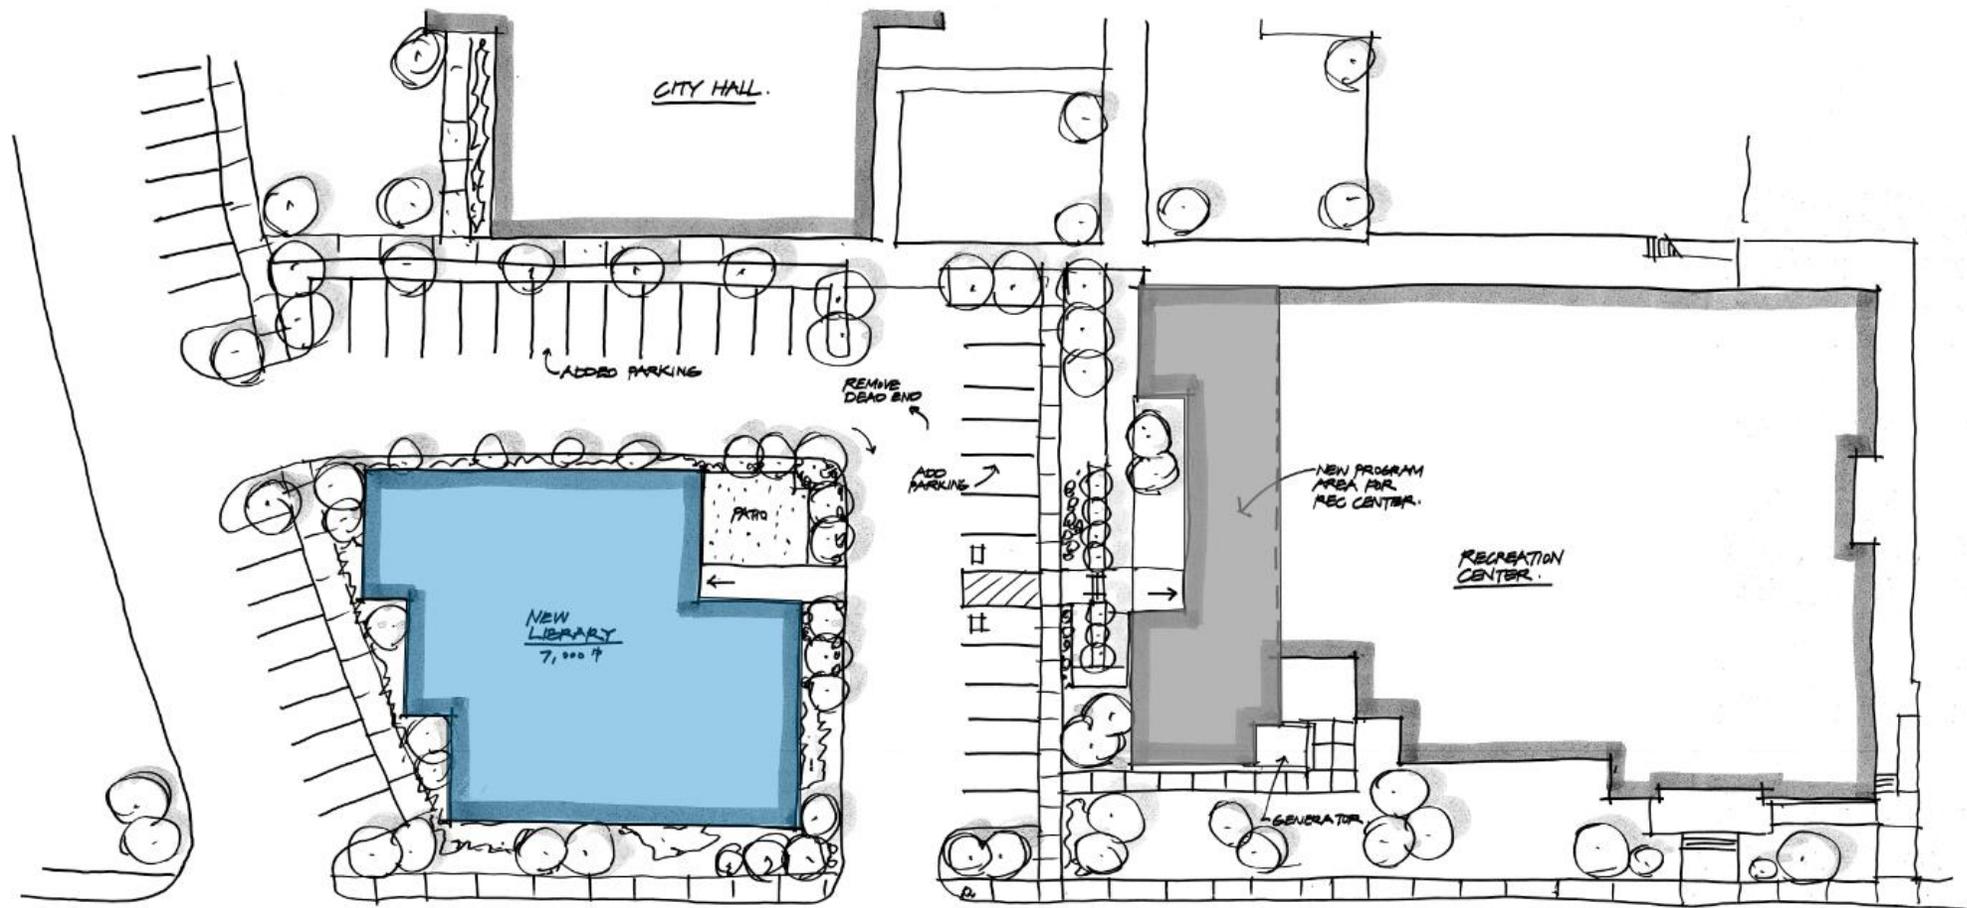

- Future Tasks to be completed:
 - Project Approval by Planning Commission/ City Council
 - Anticipated to take 8 months
 - Construction Drawings
 - Anticipated to take 9 to 12 months
 - Run concurrently with Project Approvals
 - Bidding and Construction
 - Anticipated to take 14-18 months

Community Meeting Agenda

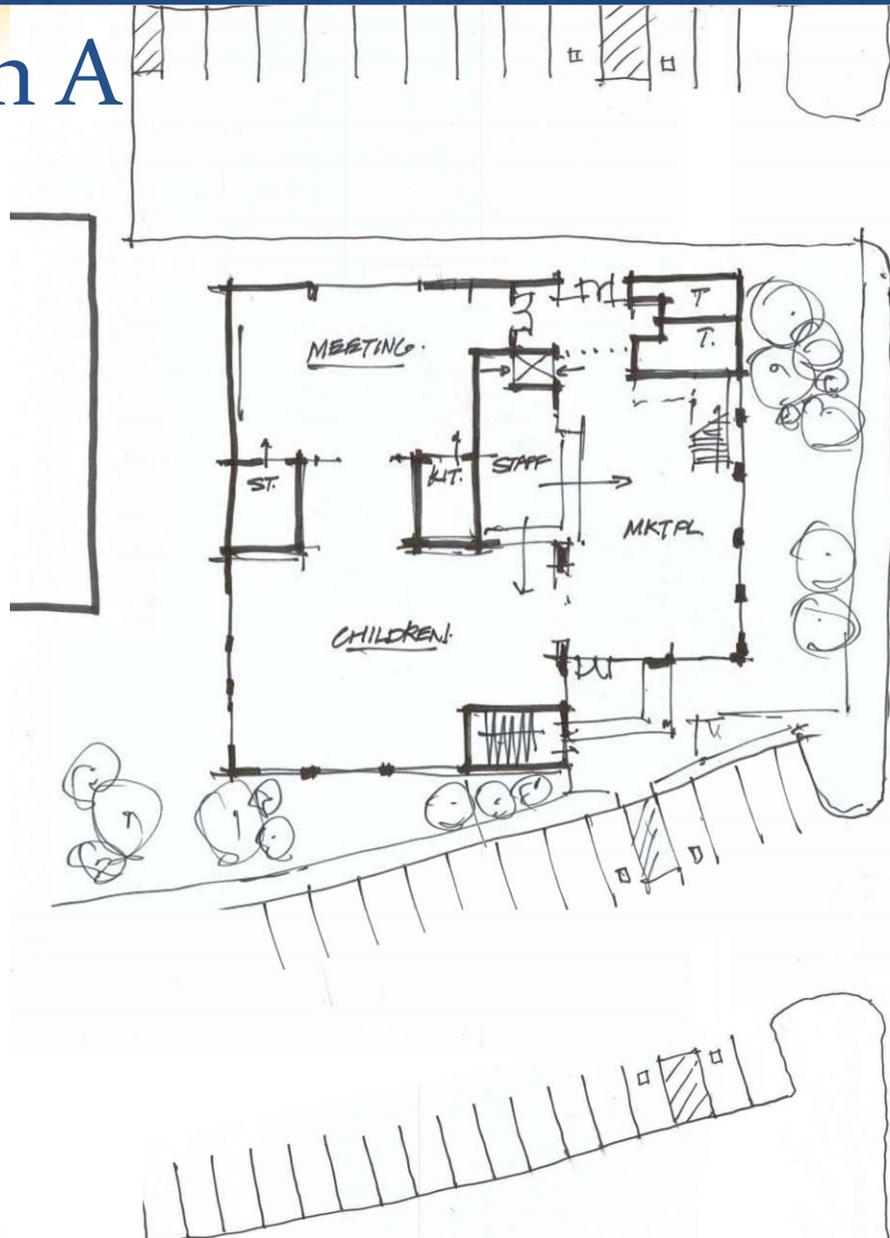

- Introductions
- Project Update
 - Kick Off Design for 12-14,000 sq.ft. Library
- Site Considerations
 - Present Schematic Site Options and selection
- Library Floor Plan Concept
 - Schematic Plan
 - Present Schematic Plan
- Library Exterior Concepts
 - Present Elevation options/Concepts to Build Upon
- Conclusion/Next Steps

Project Site

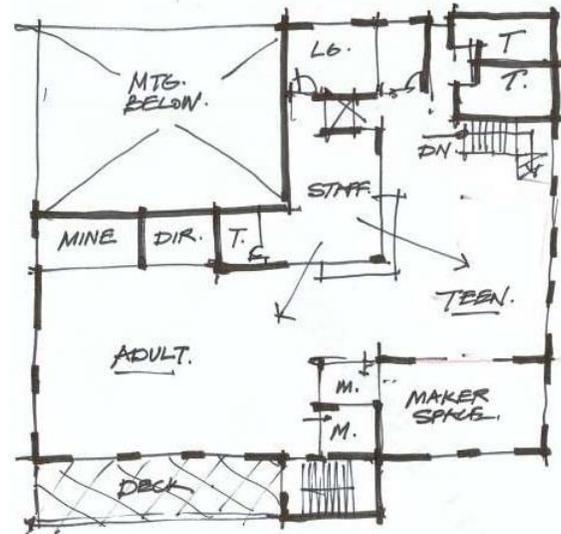

Plan A

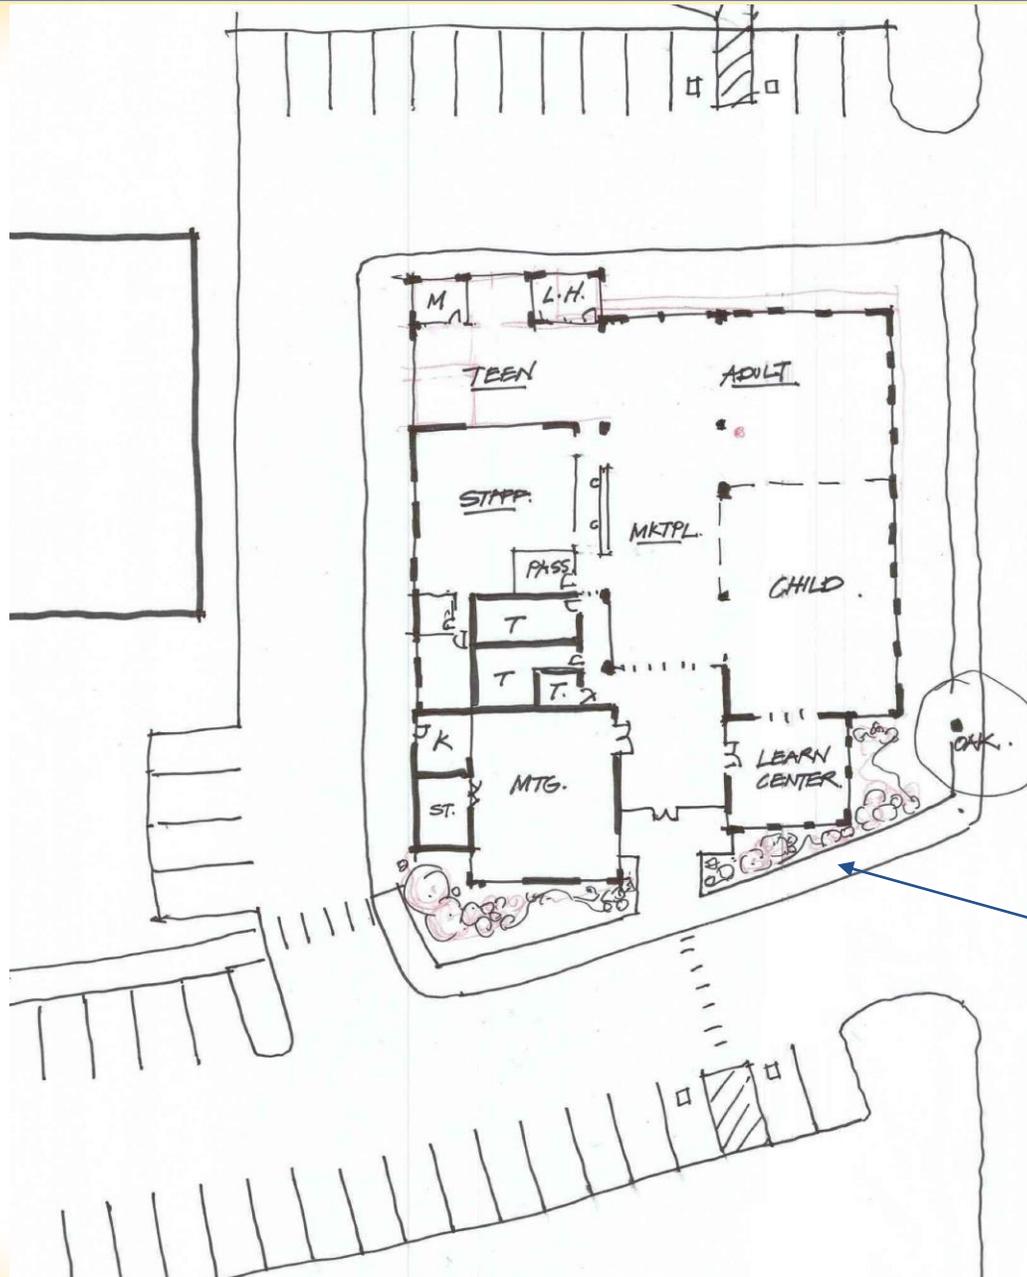

FIRST FLOOR

SECOND FLOOR

Plan B

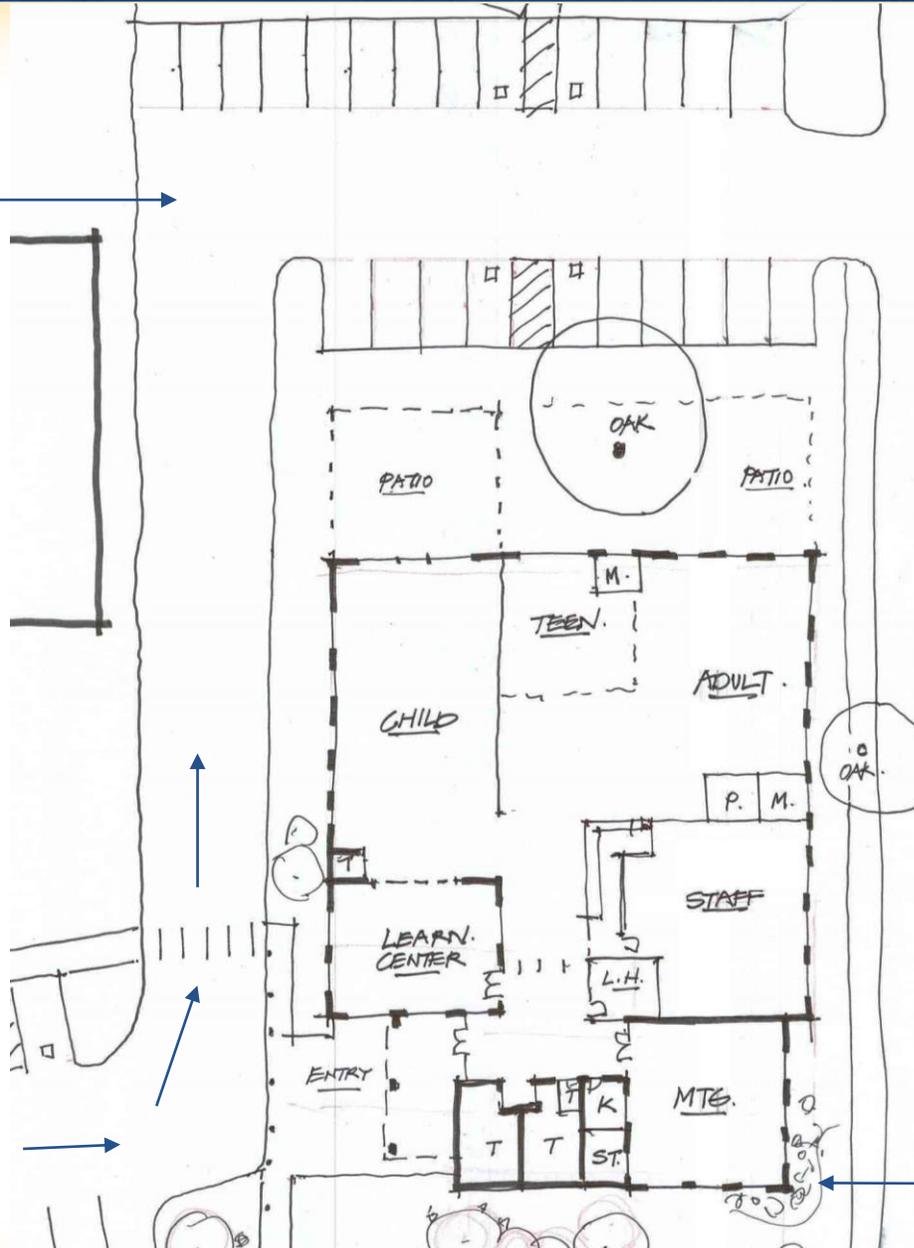

Remove Parking at front to allow deeper Structure

Plan C

Remove Dead end at
Fire Access Lane

Re-route traffic

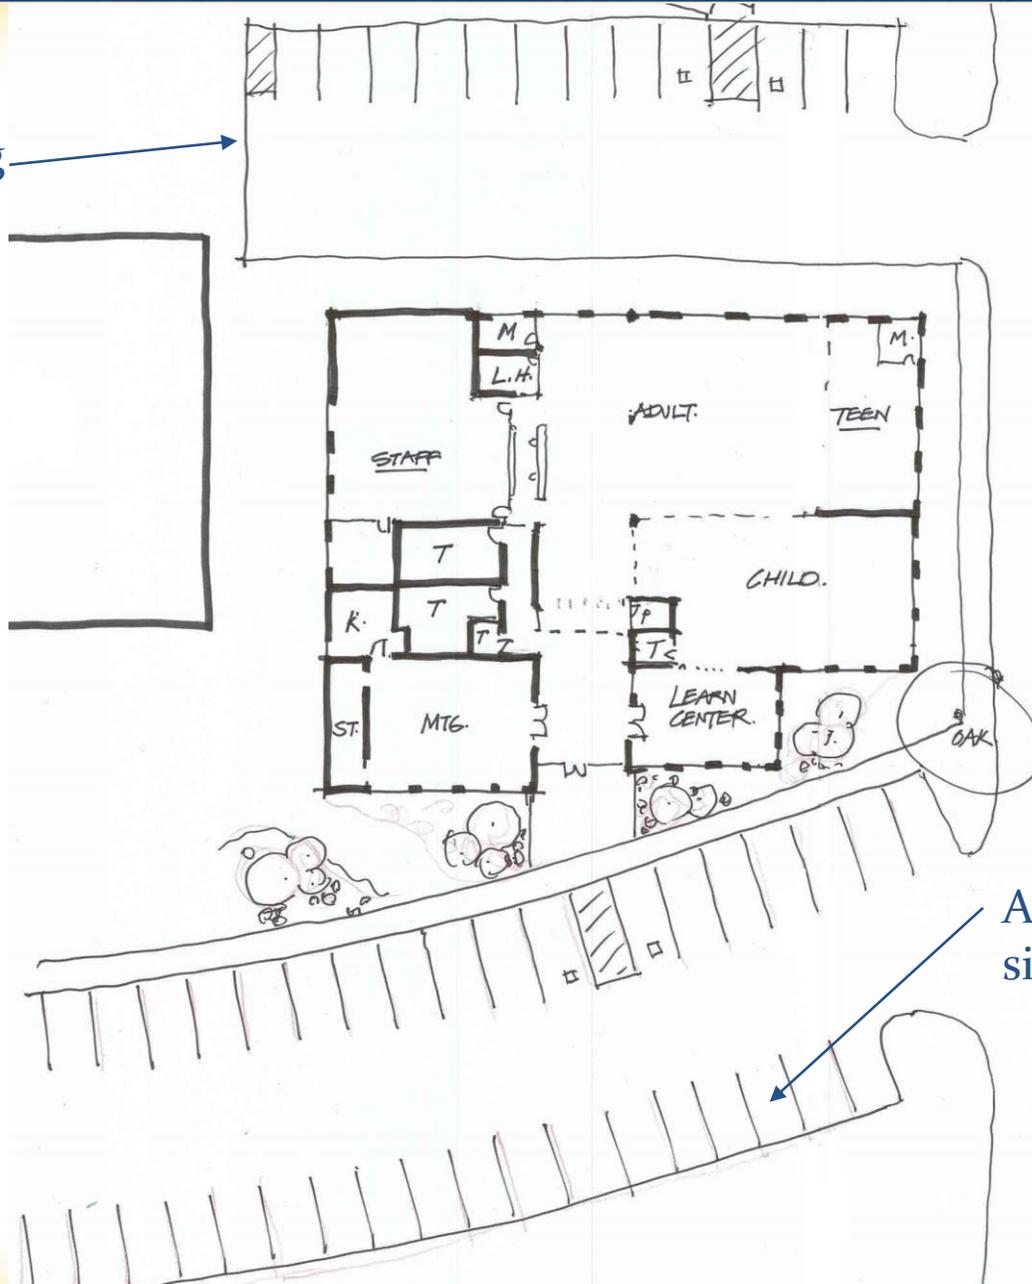

Parking?

Place Building at Corner for
Visibility

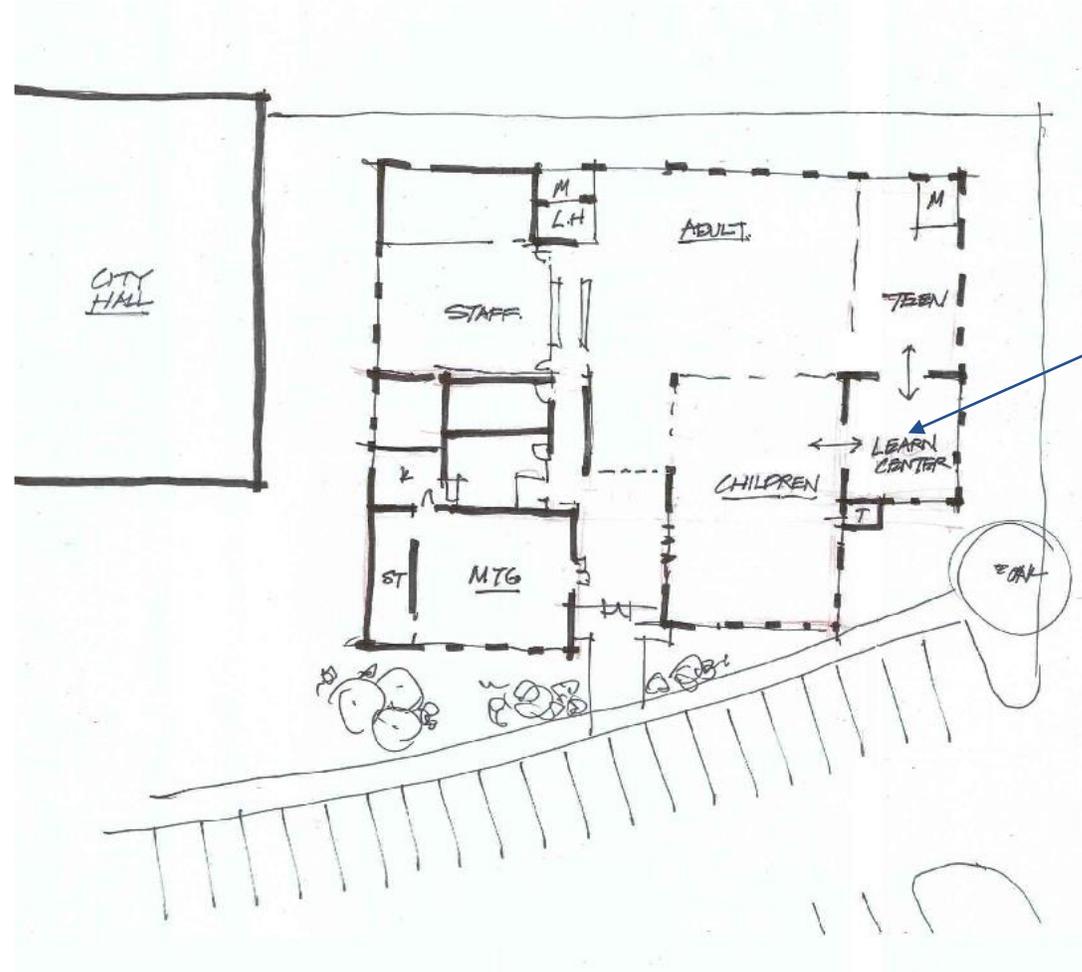

Plan D

Maintain Existing
Fire Access Lane

Add Parking at opposite
side of parking

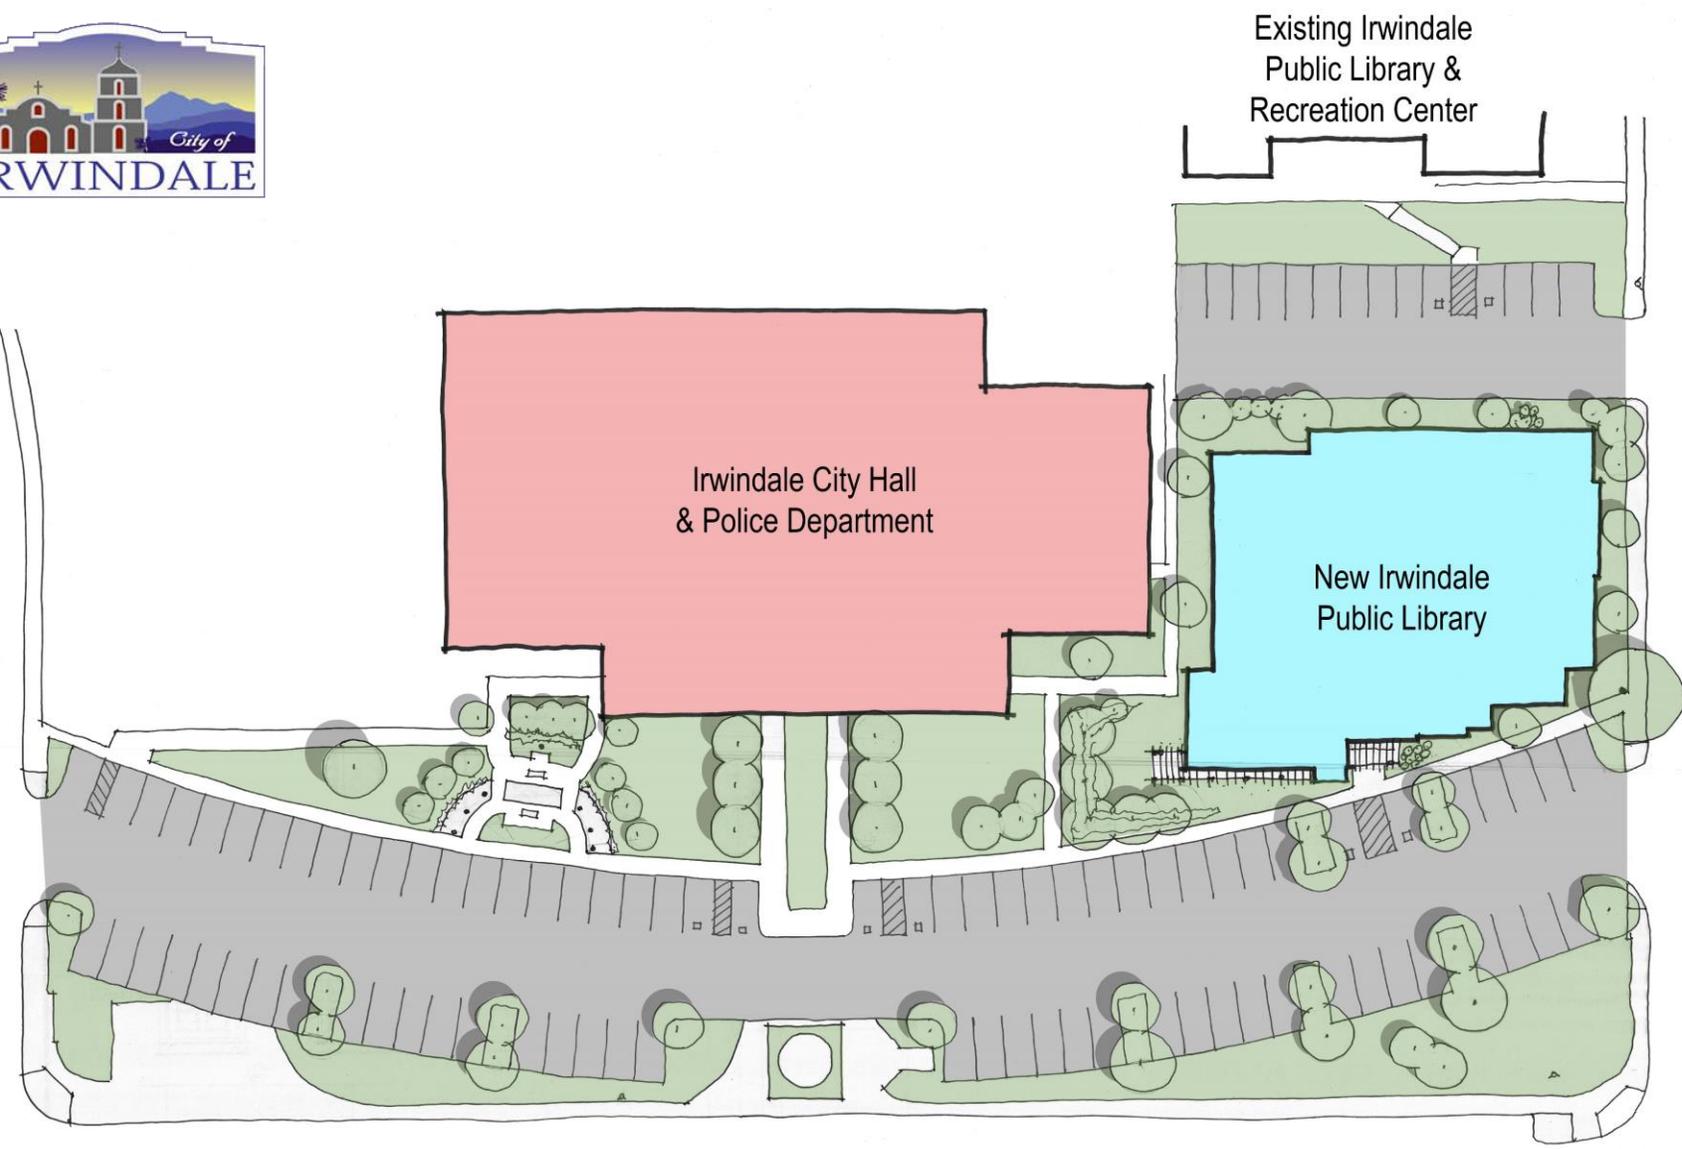

Plan D.1

Relocate Learning Center to allow shared access from Children's and also Teens

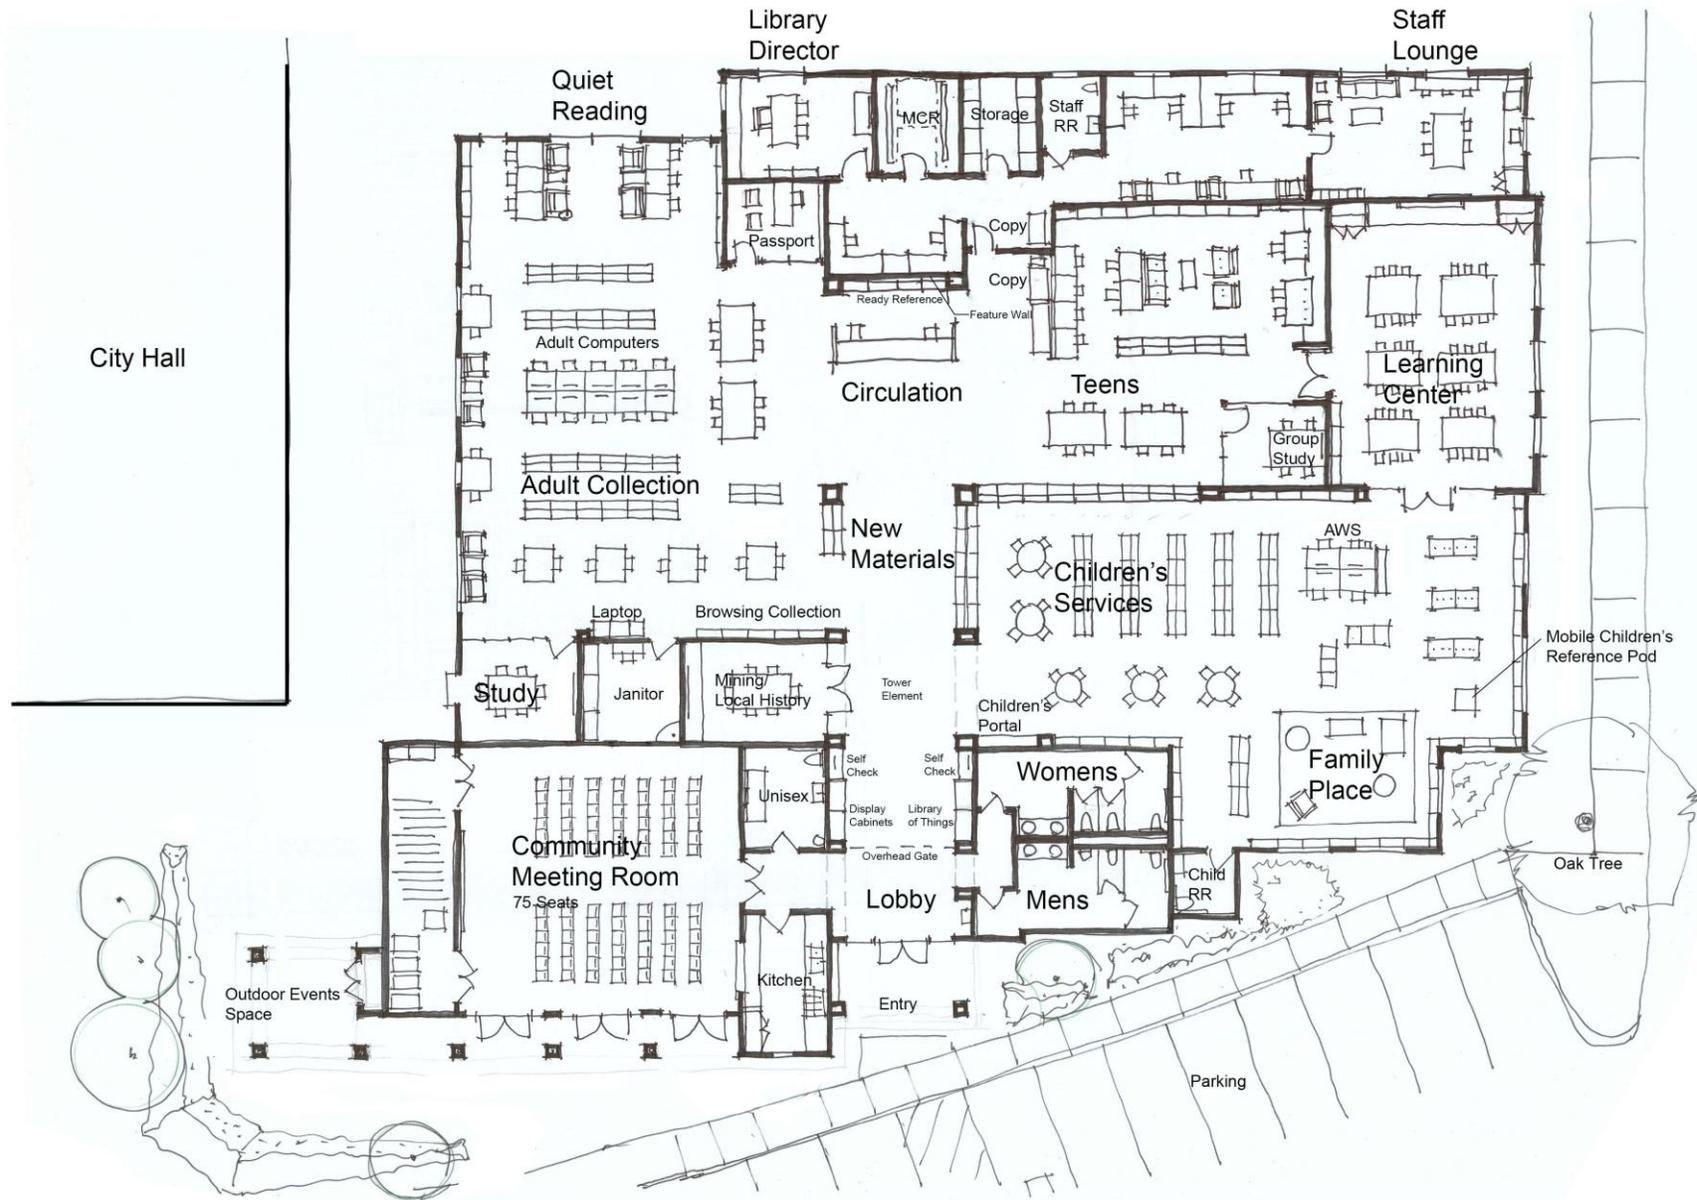

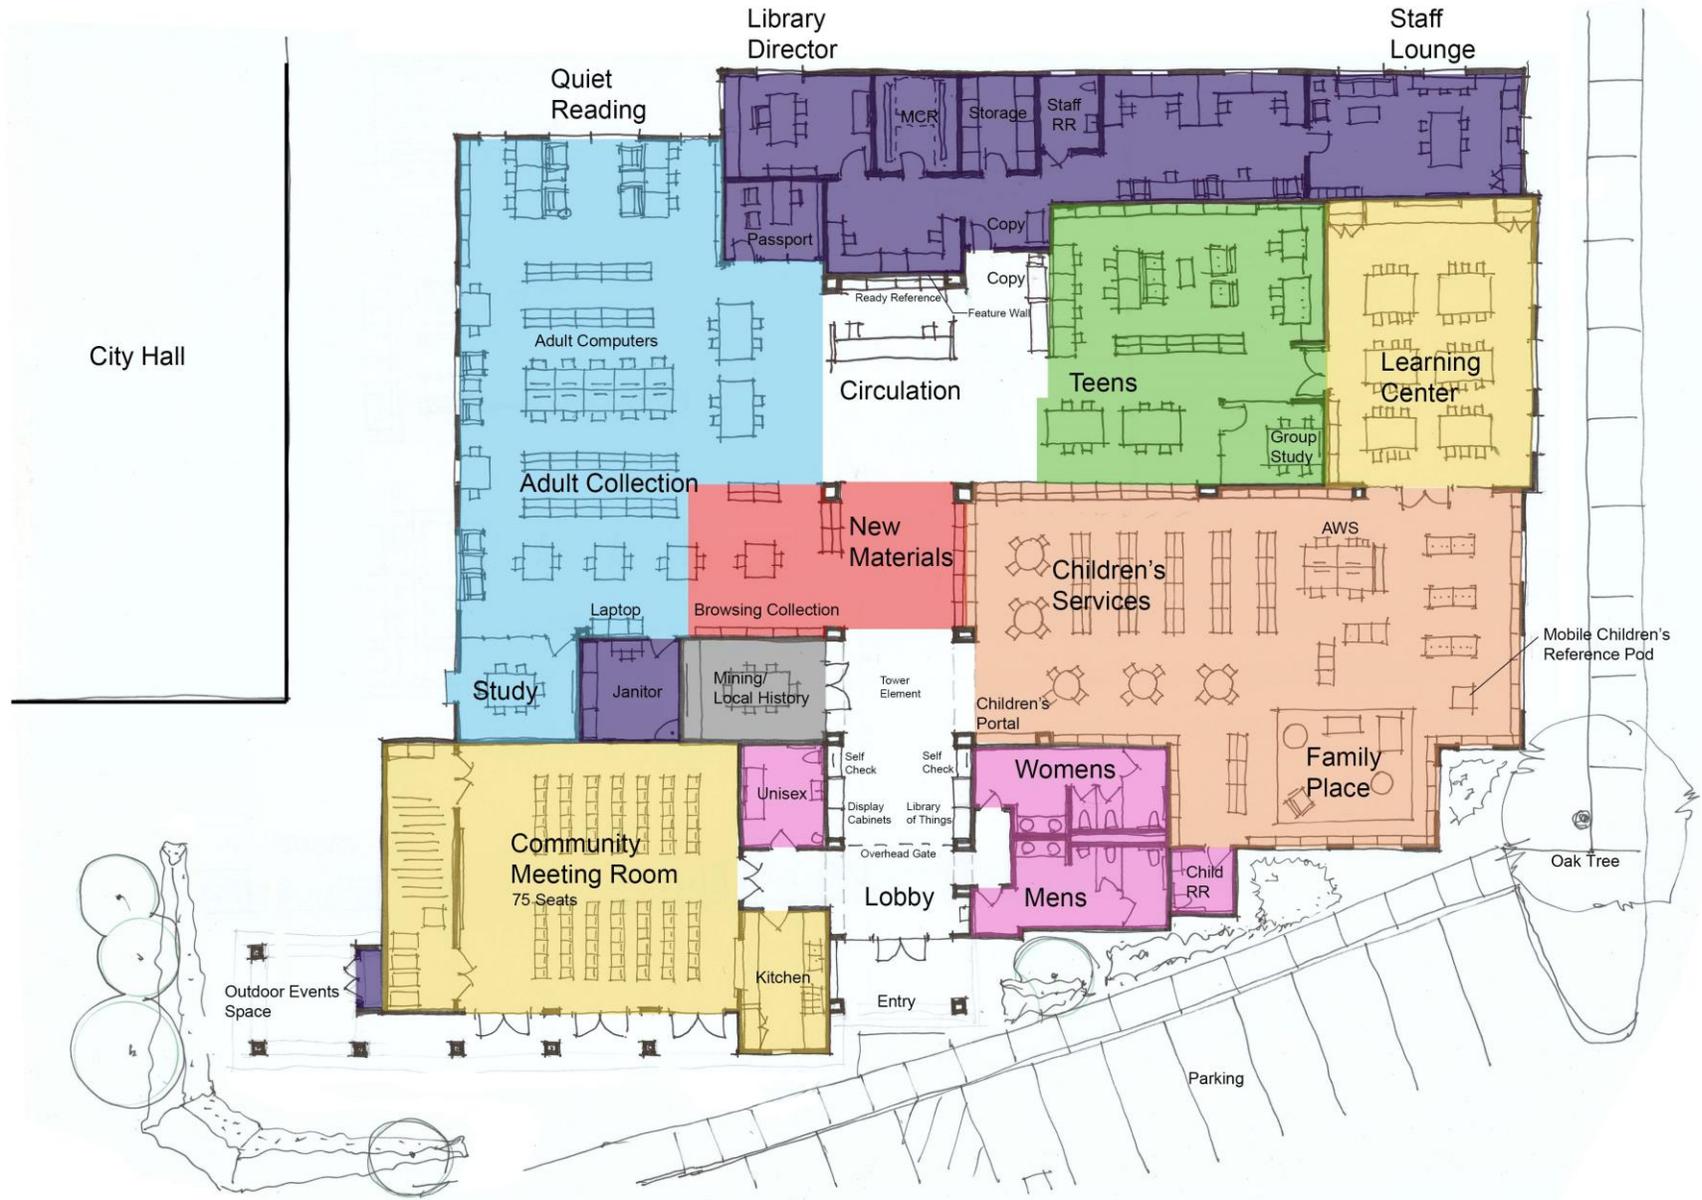

Calle Del Norte

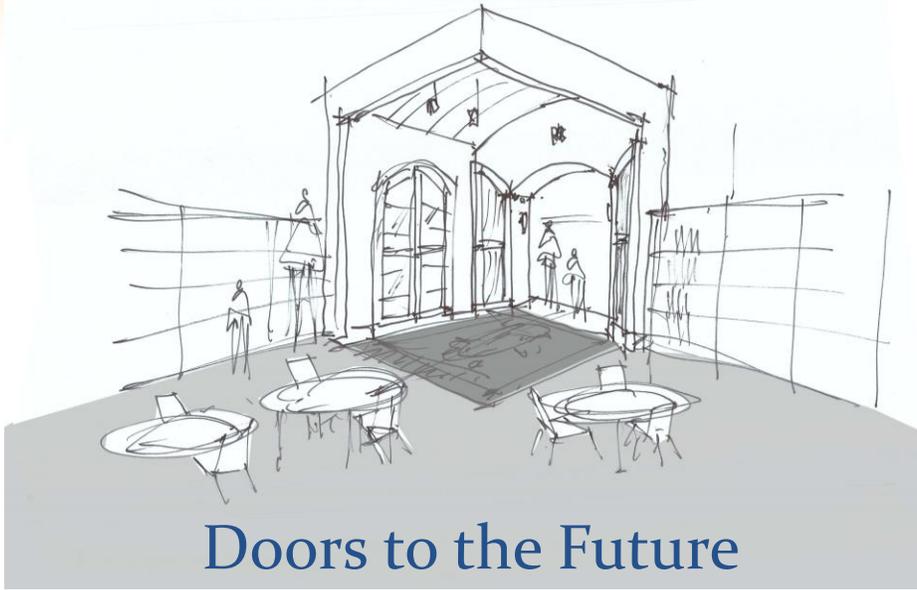

Irwindale Avenue

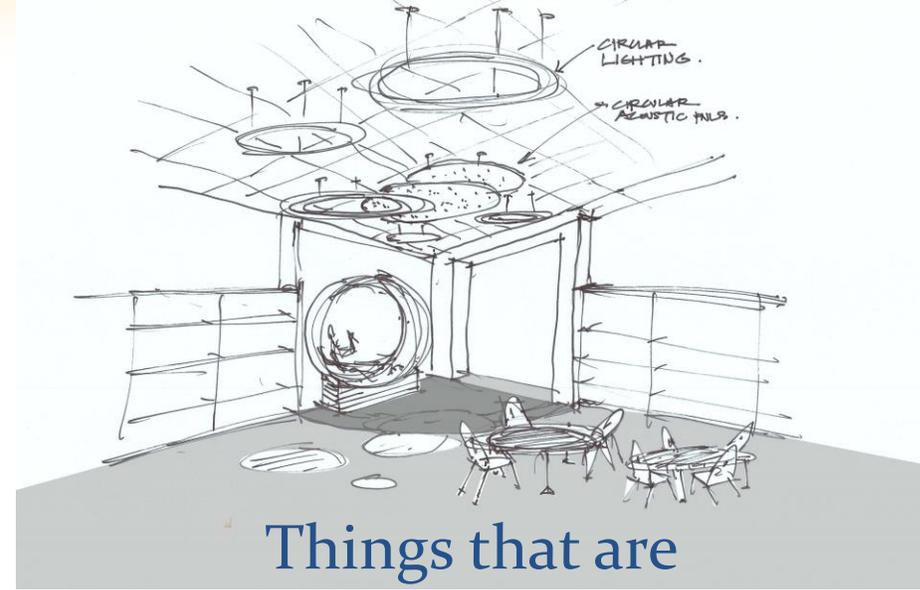

Calle De Paseo

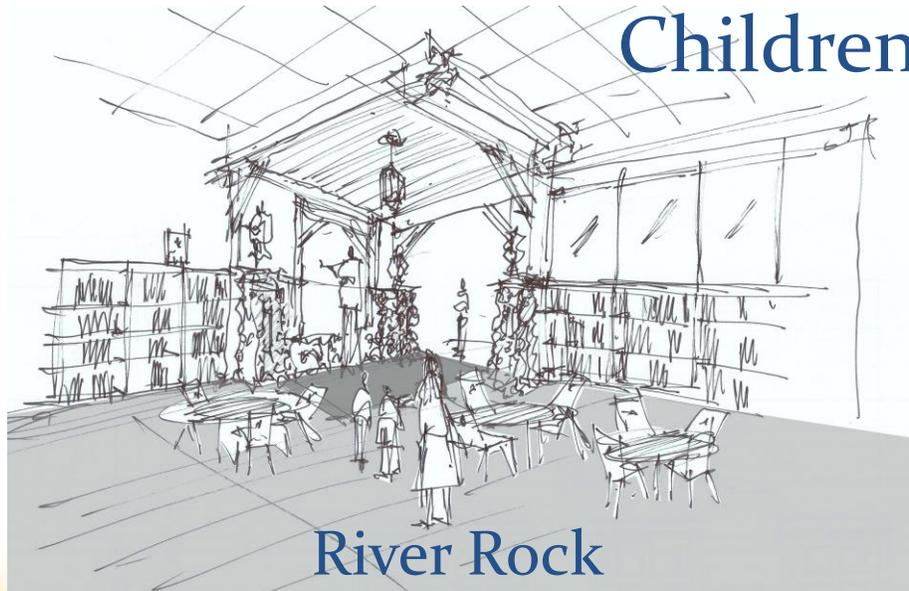

Doors to the Future

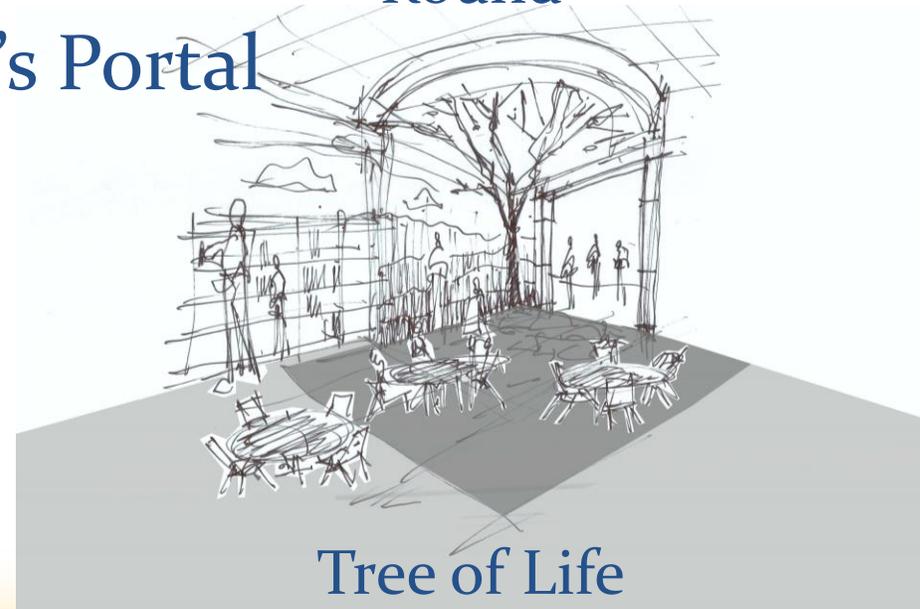

Things that are Round

River Rock

Children's Portal

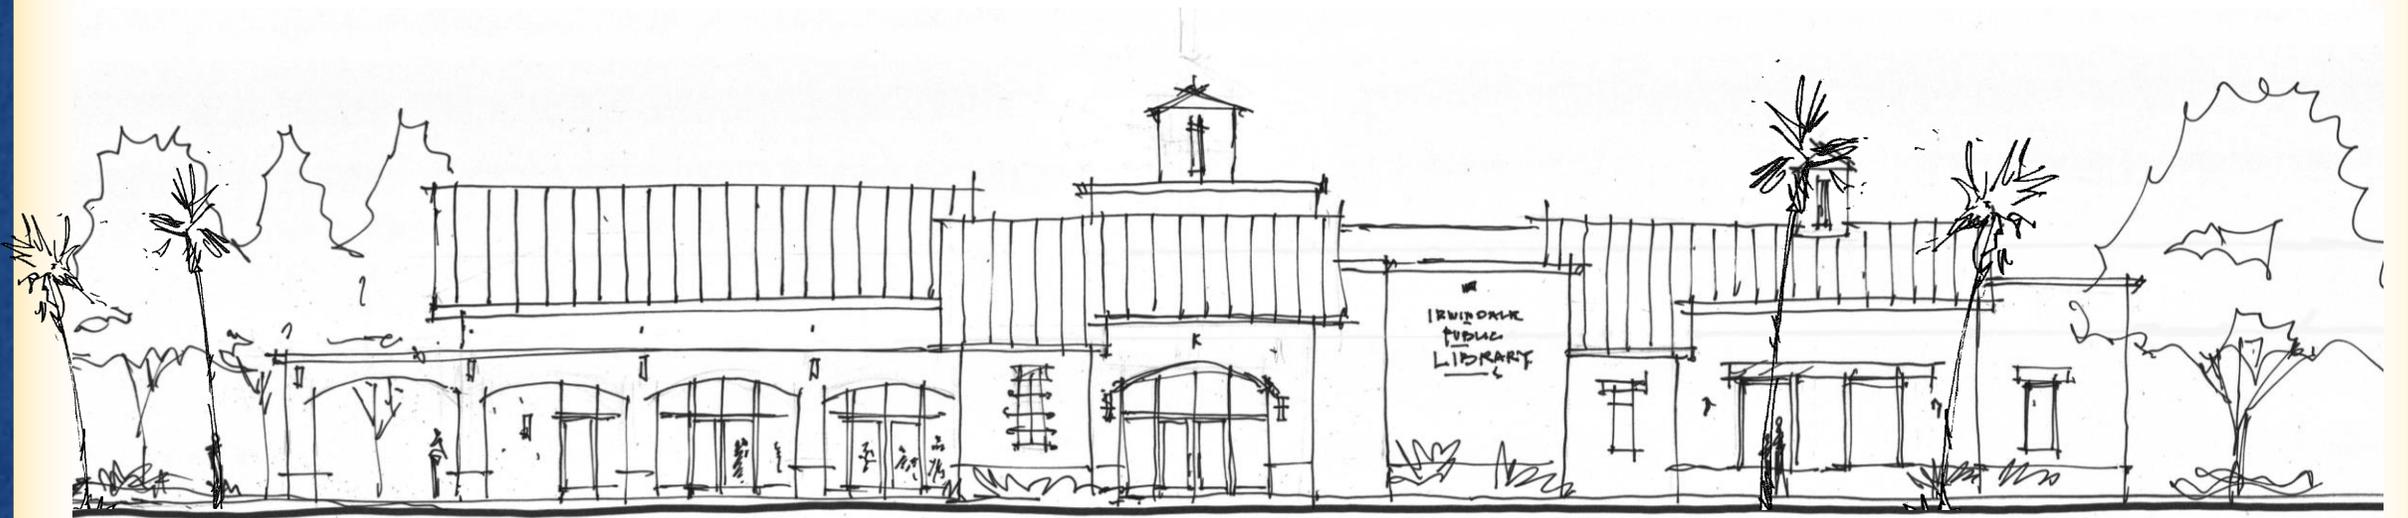

Tree of Life
